PAUL SETON

Honcho magazine says that Paul Seton received more fan mail than anyone else who has ever appeared in their pages when he was featured as The Boxer in photos from Cosco. Paul is a young man from Puerto Rico who has purposely limited the number of films he has acted in. He's quite mysterious! You can see him in the Cosco film The Paul Seton Story.

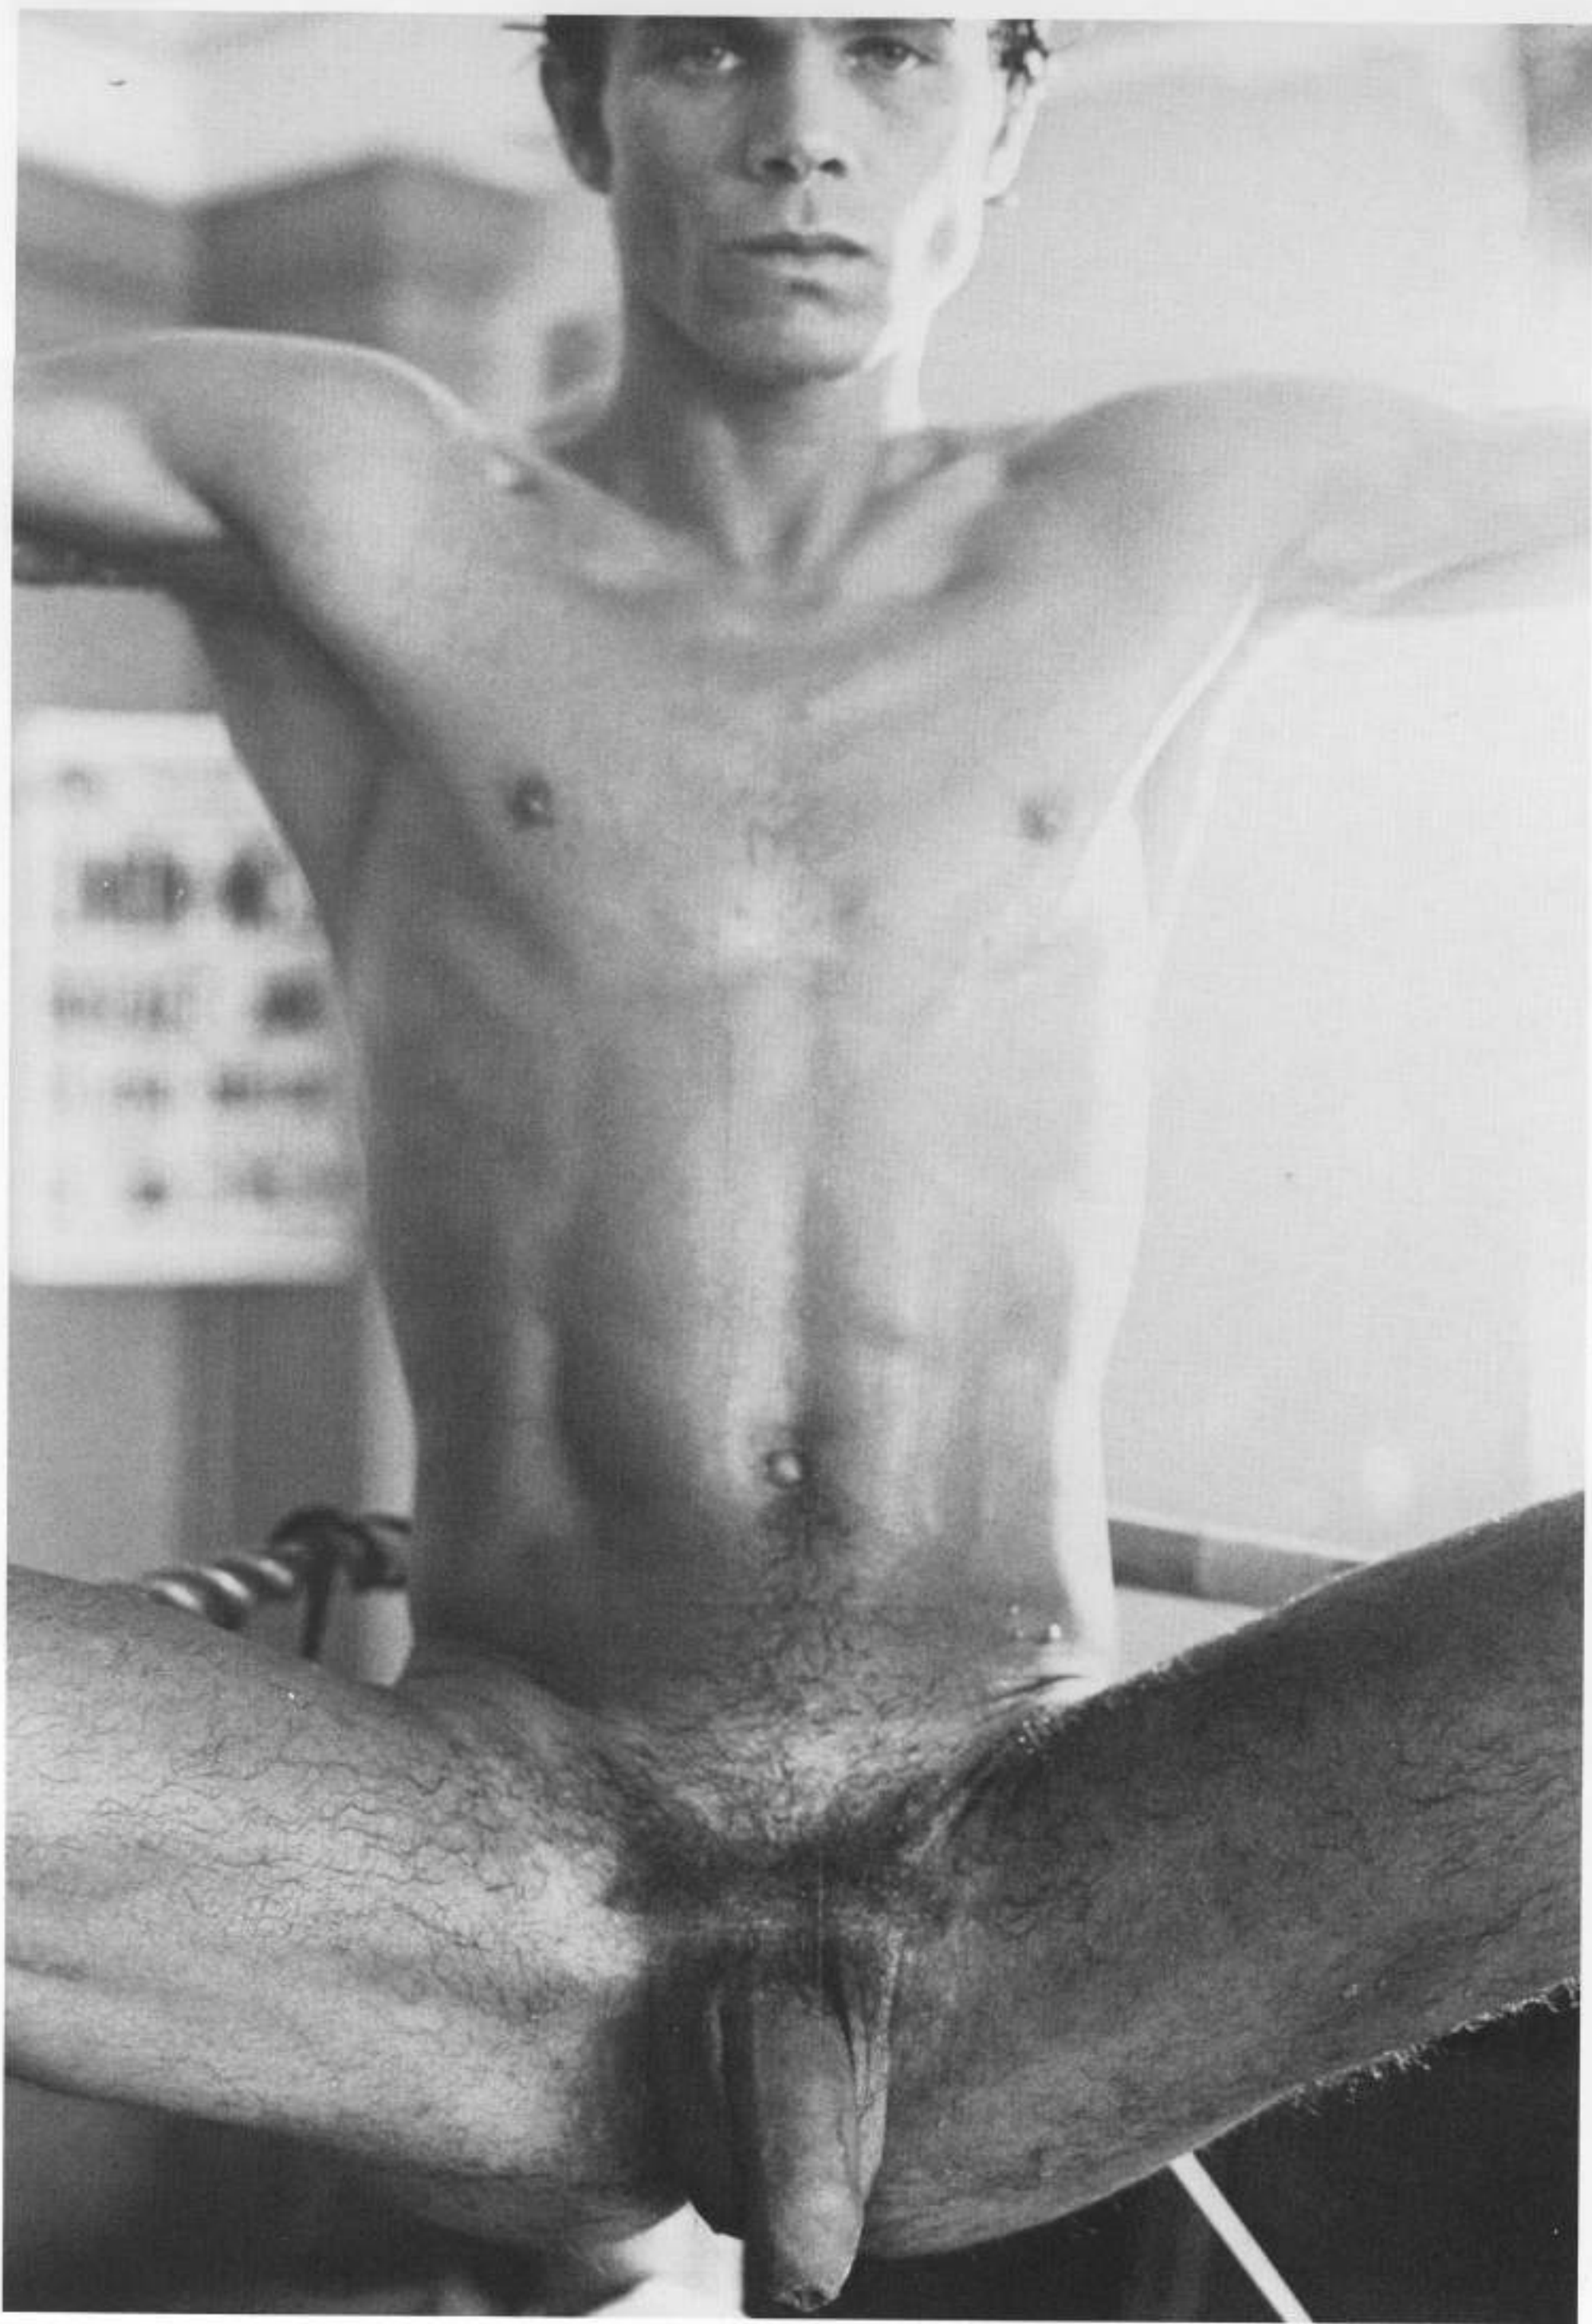

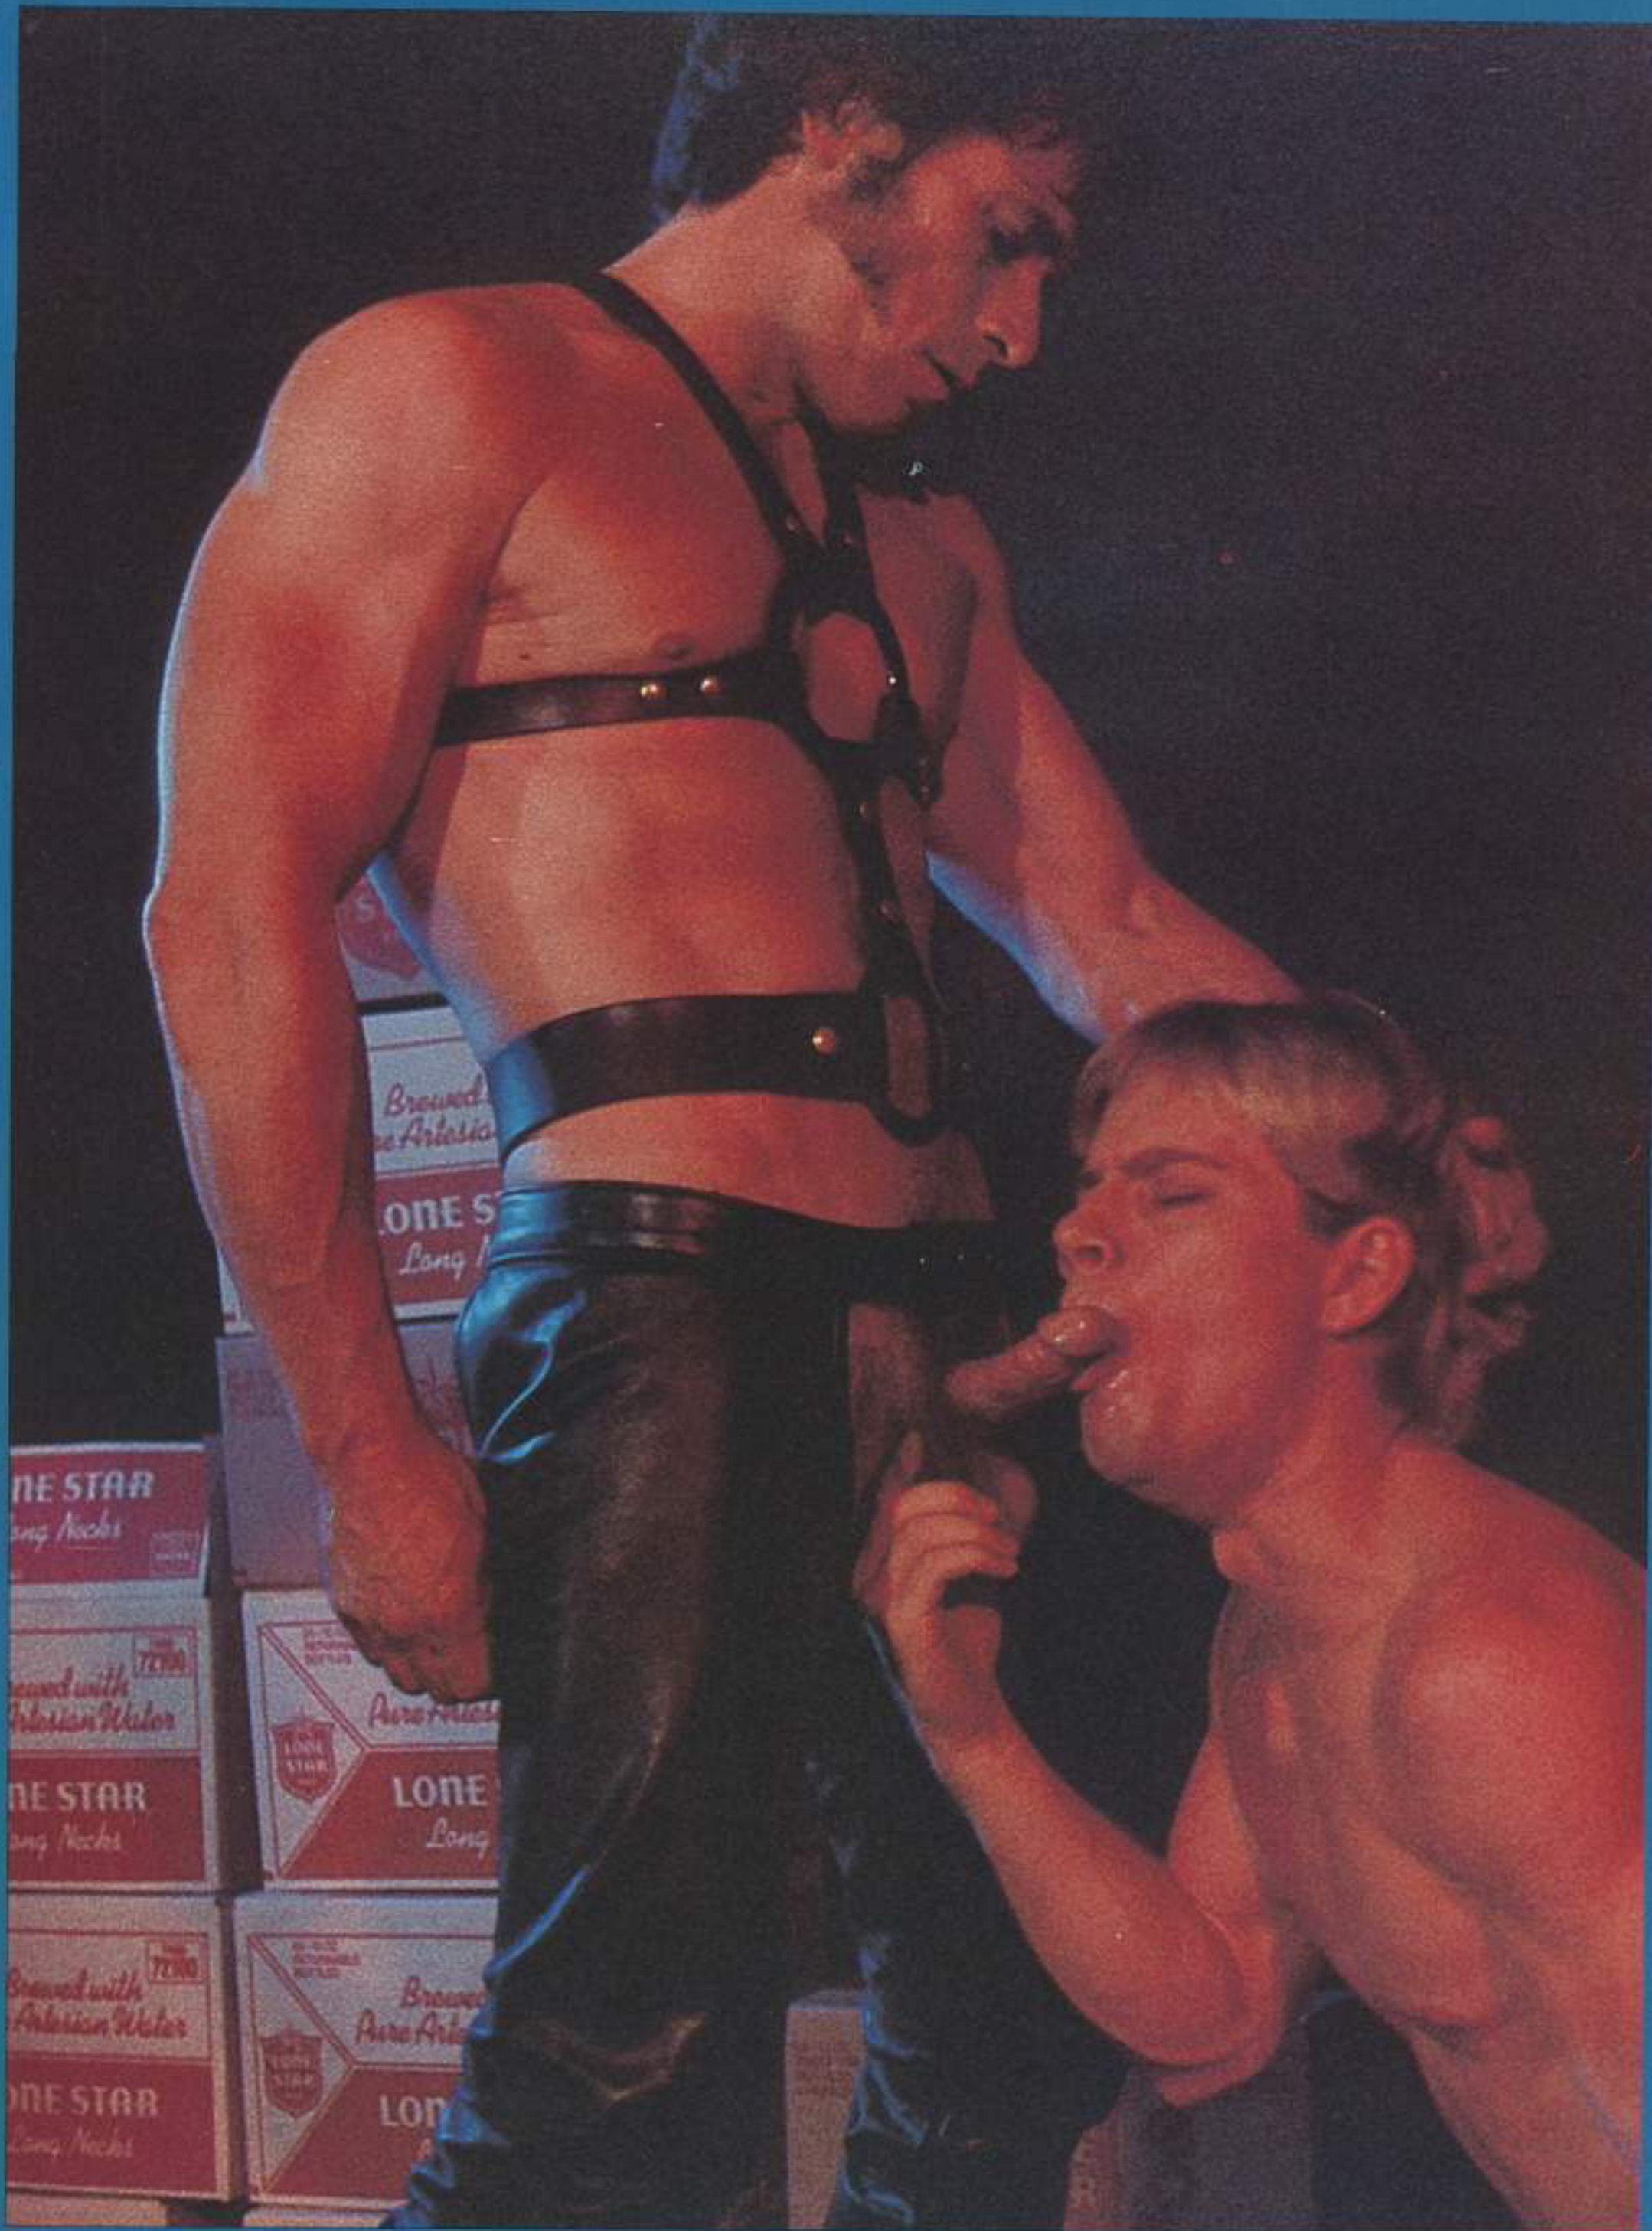

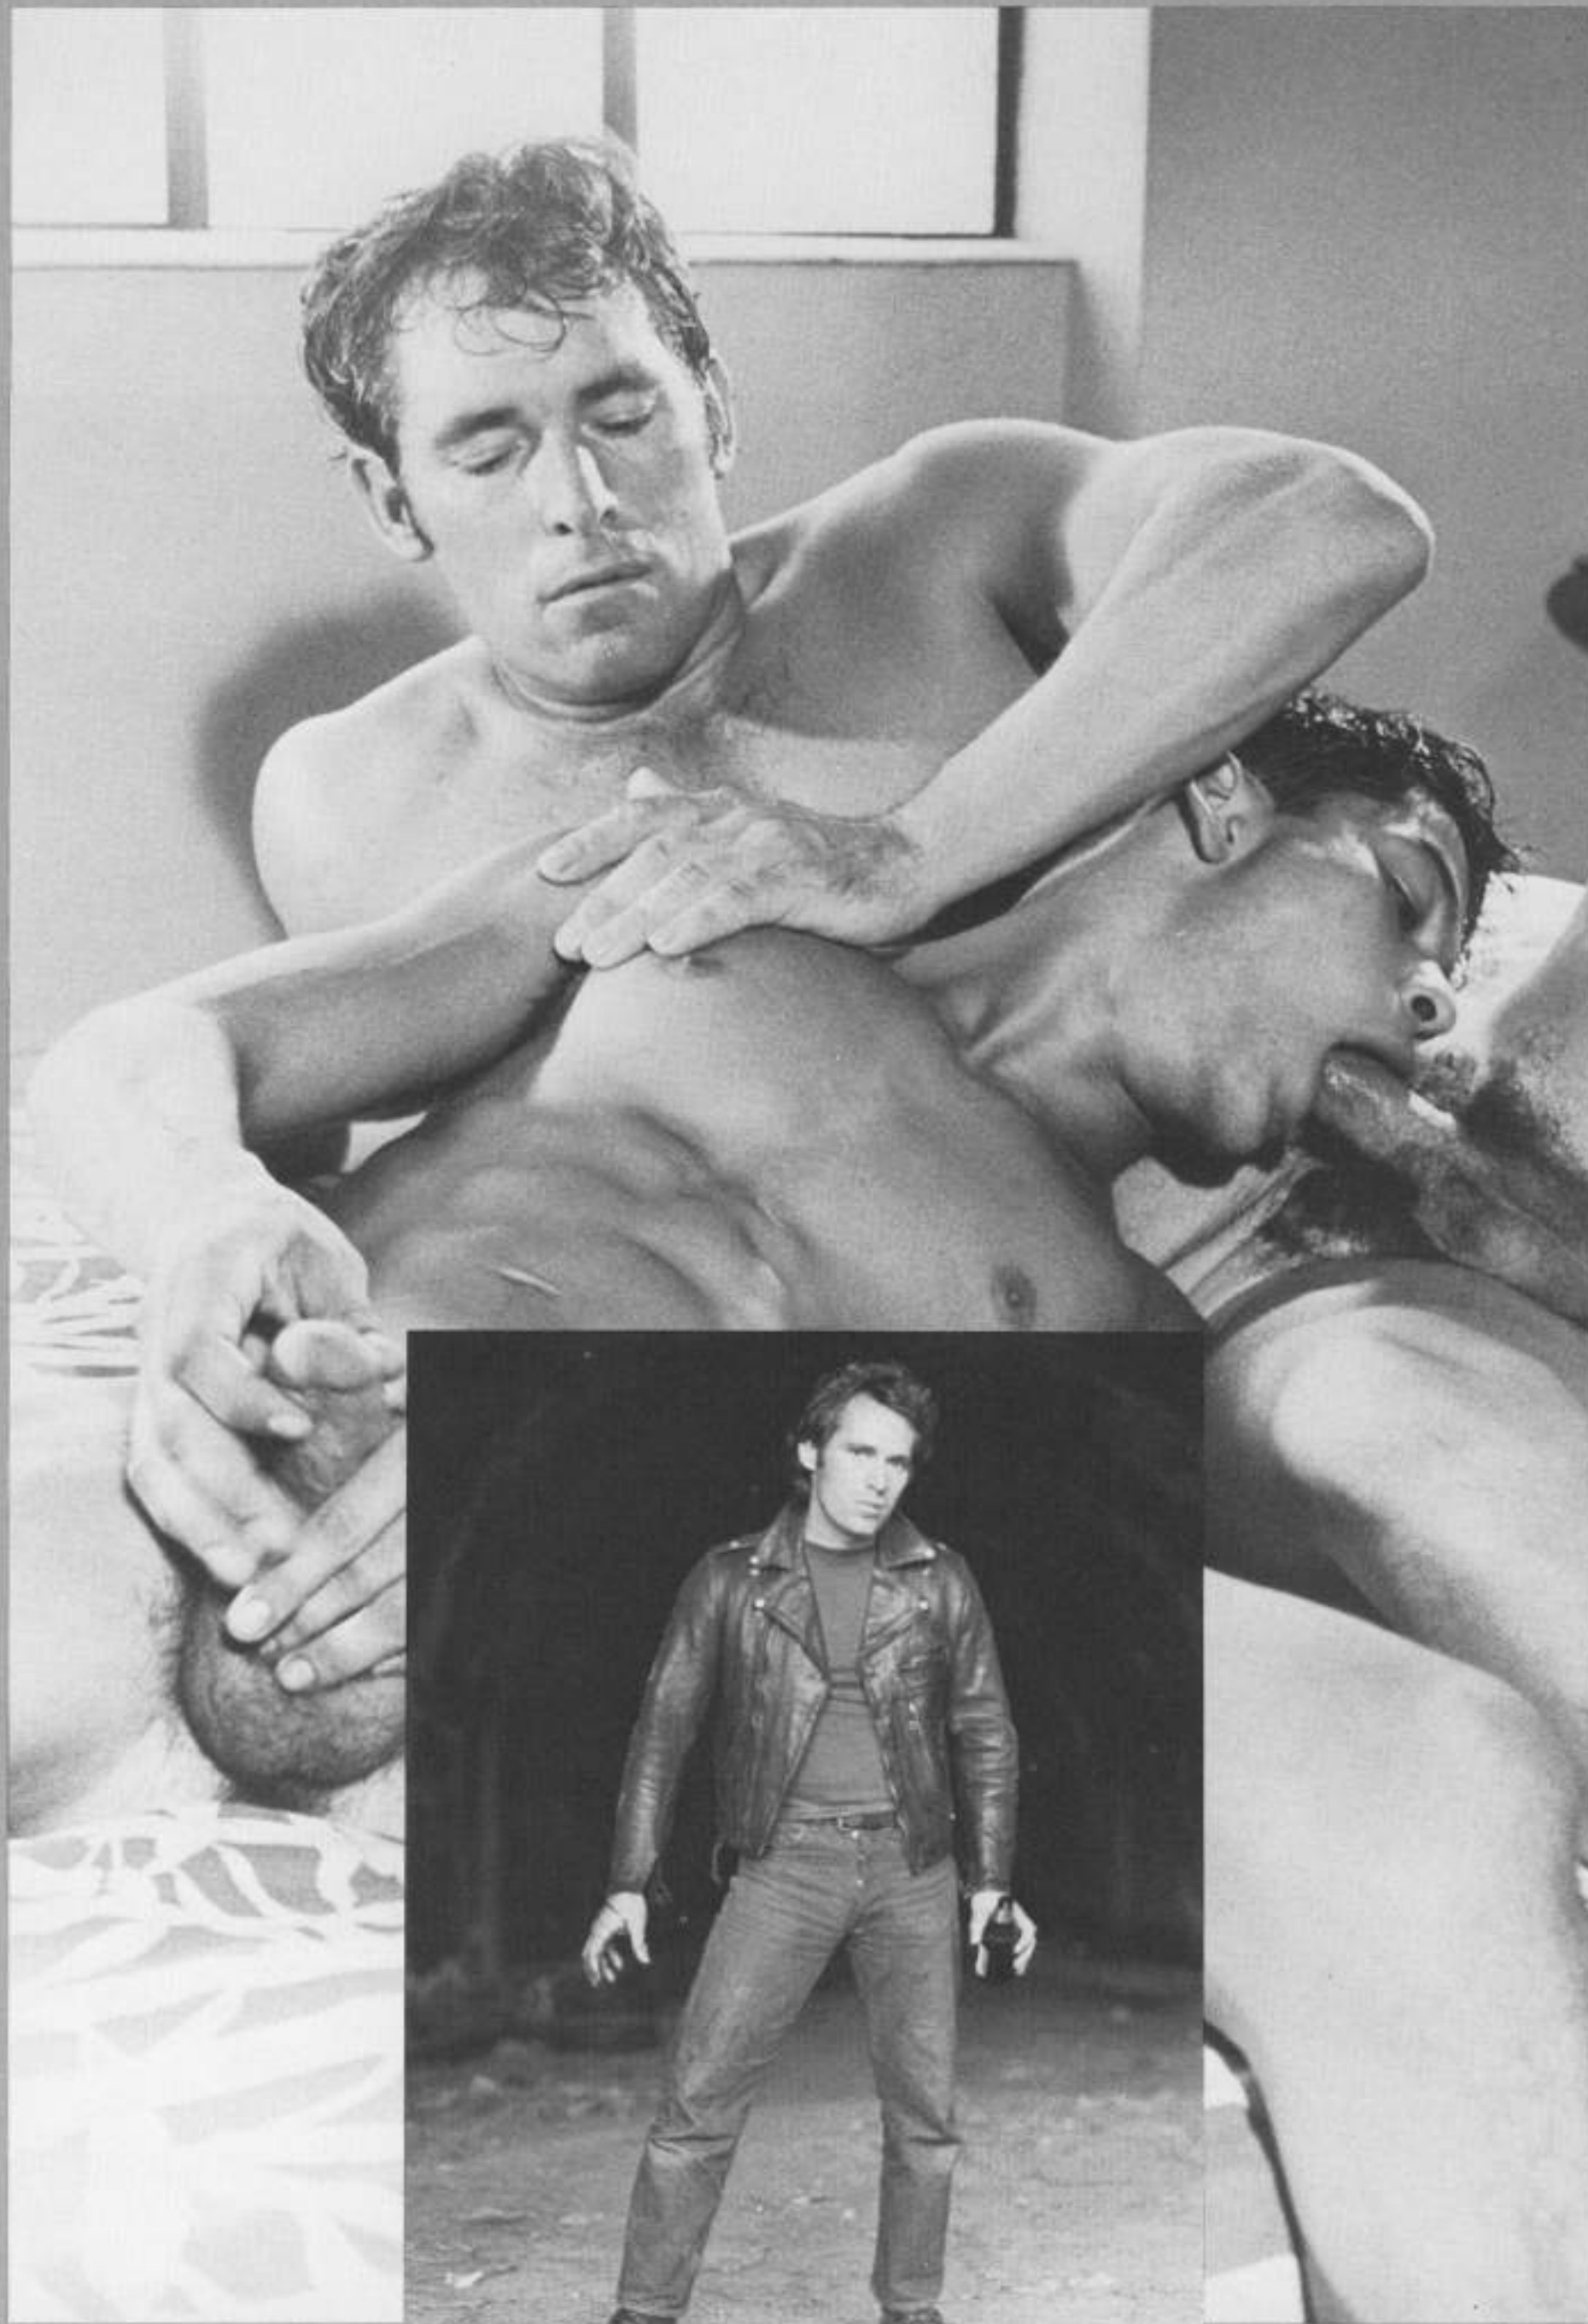

CINEMA STAR

FRED HALSTED

A film star since 1972, Fred has appeared in many of the top films of the last decade. His own films including L.A. Plays Itself, Sex Garage and Sextool are in the permanent film collection of The Museum of Modern Art. He narrated the highly successful history of gay movies Erotikus and he received wide critical acclaim for his role in the Gage Brothers film, El Paso Wrecking Corp. Fred also is an avid weight lifter who works out three times a week.

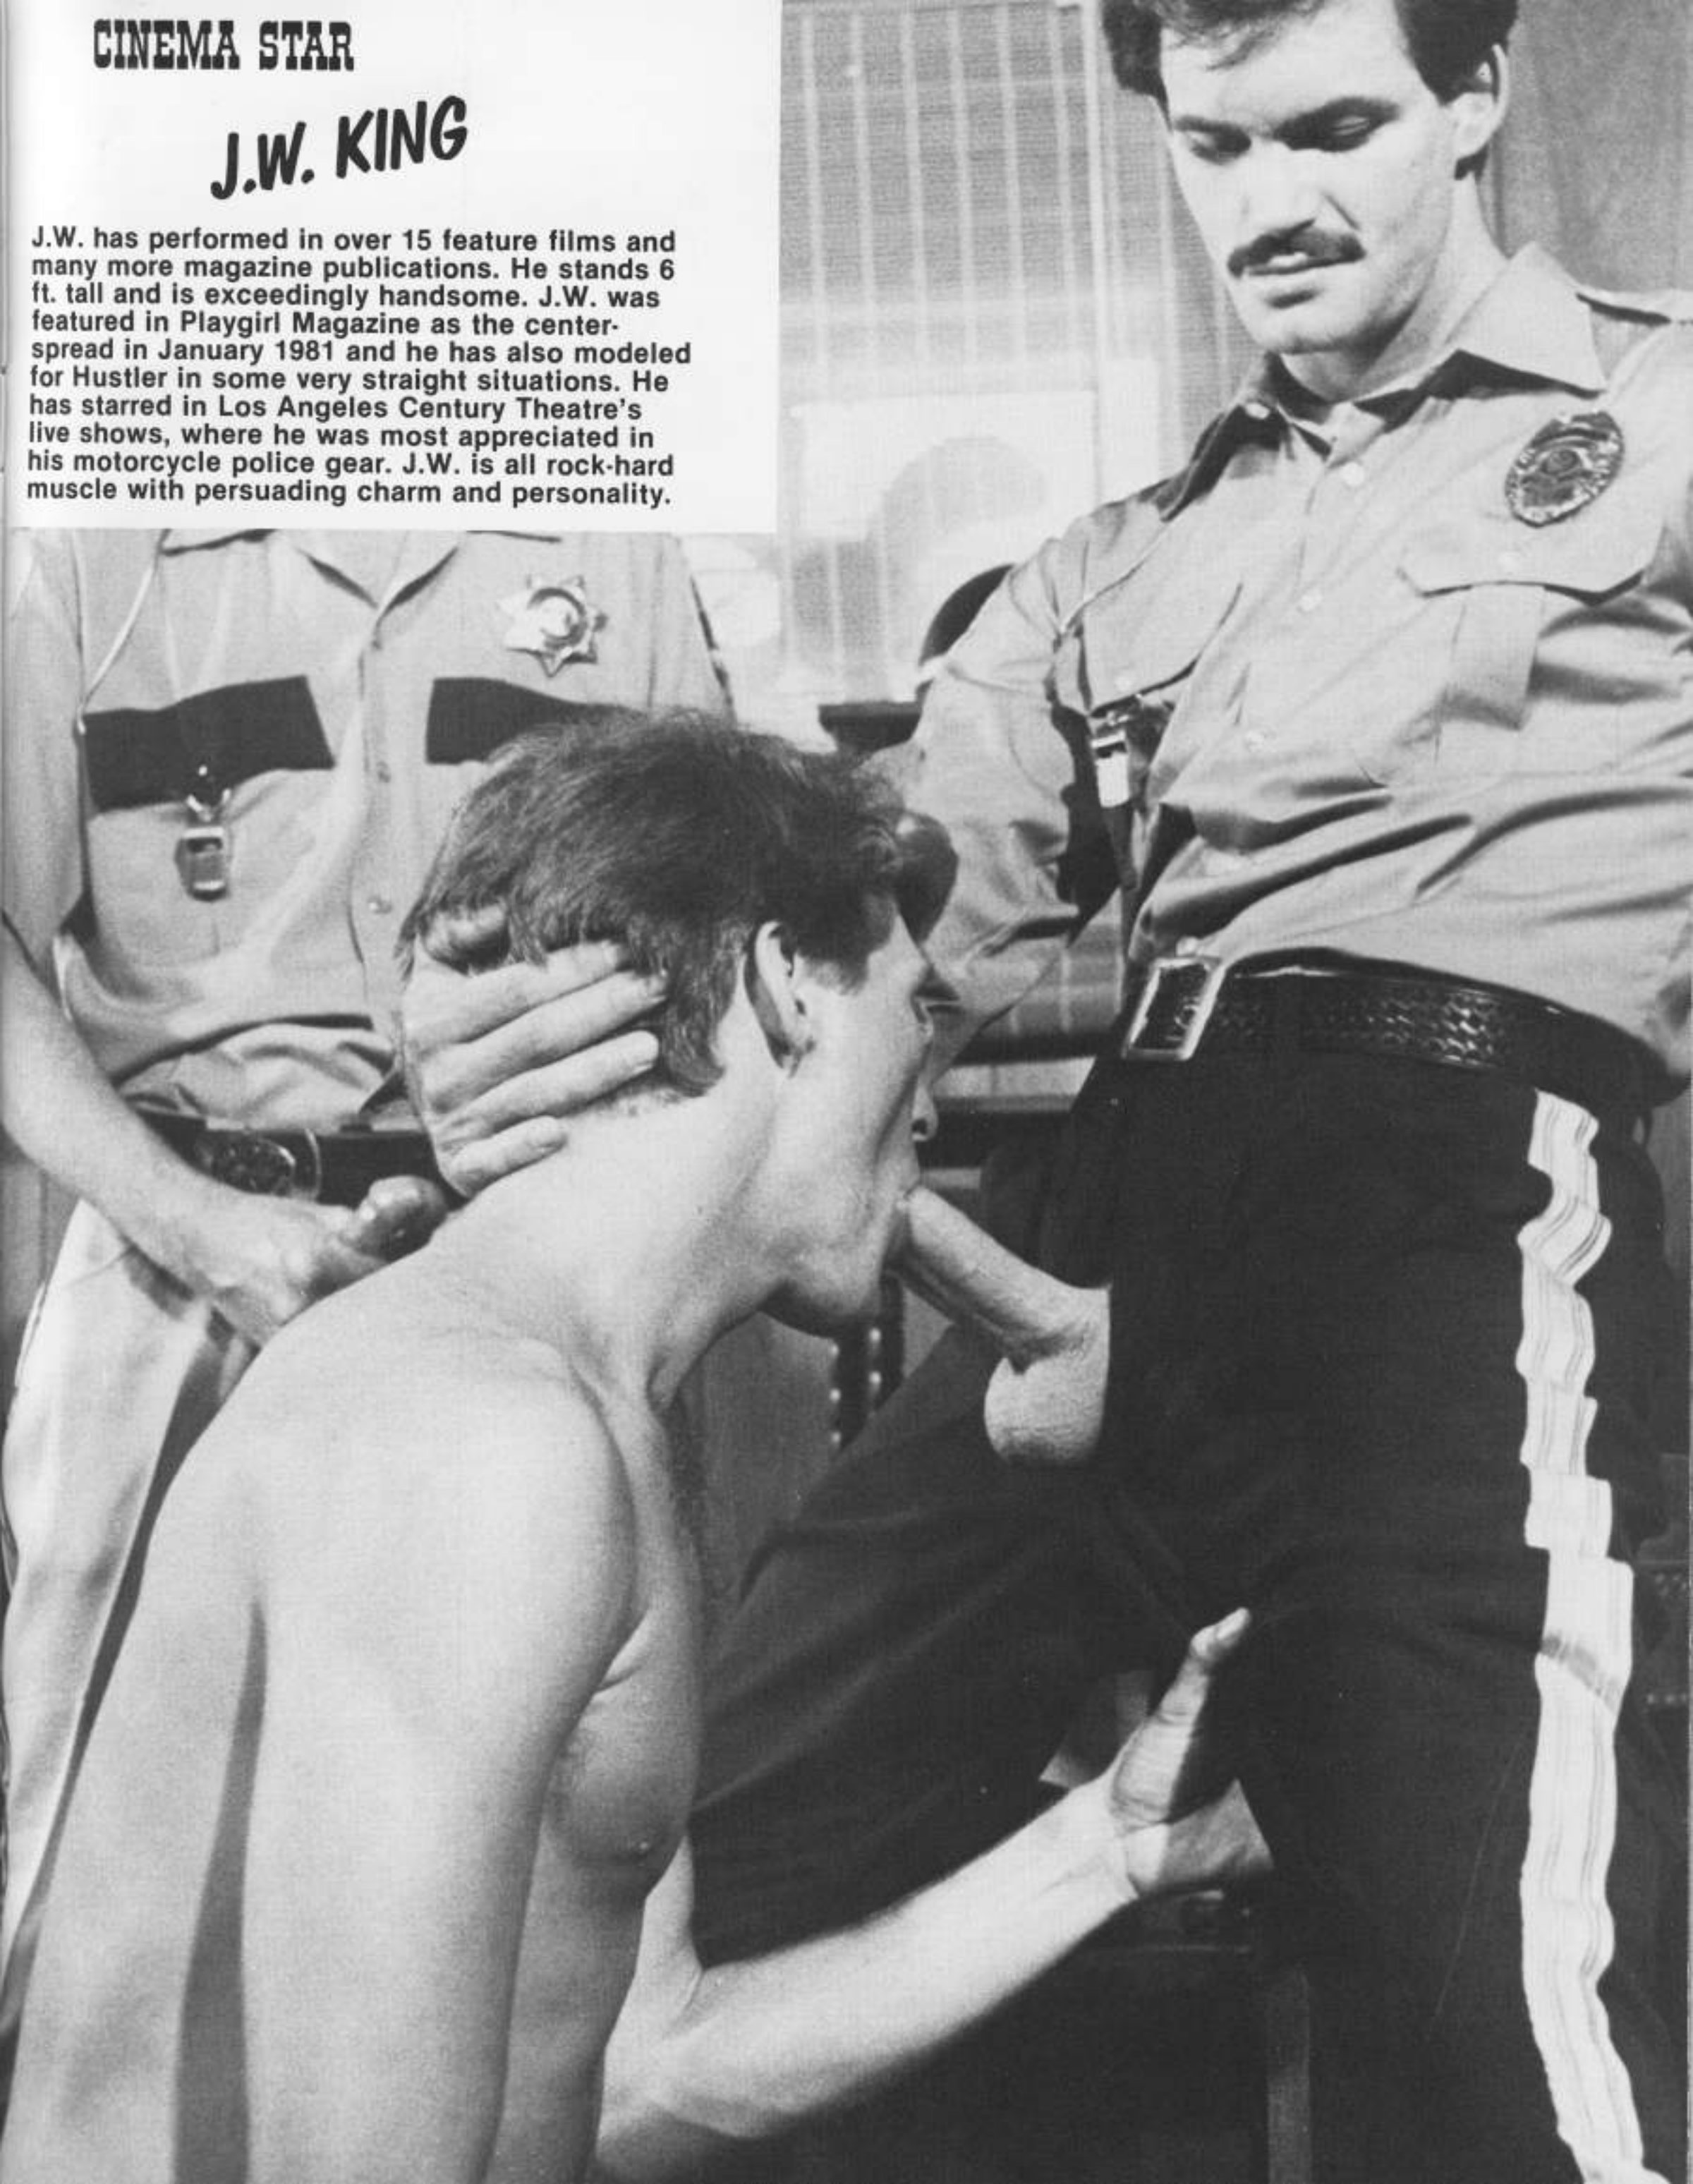

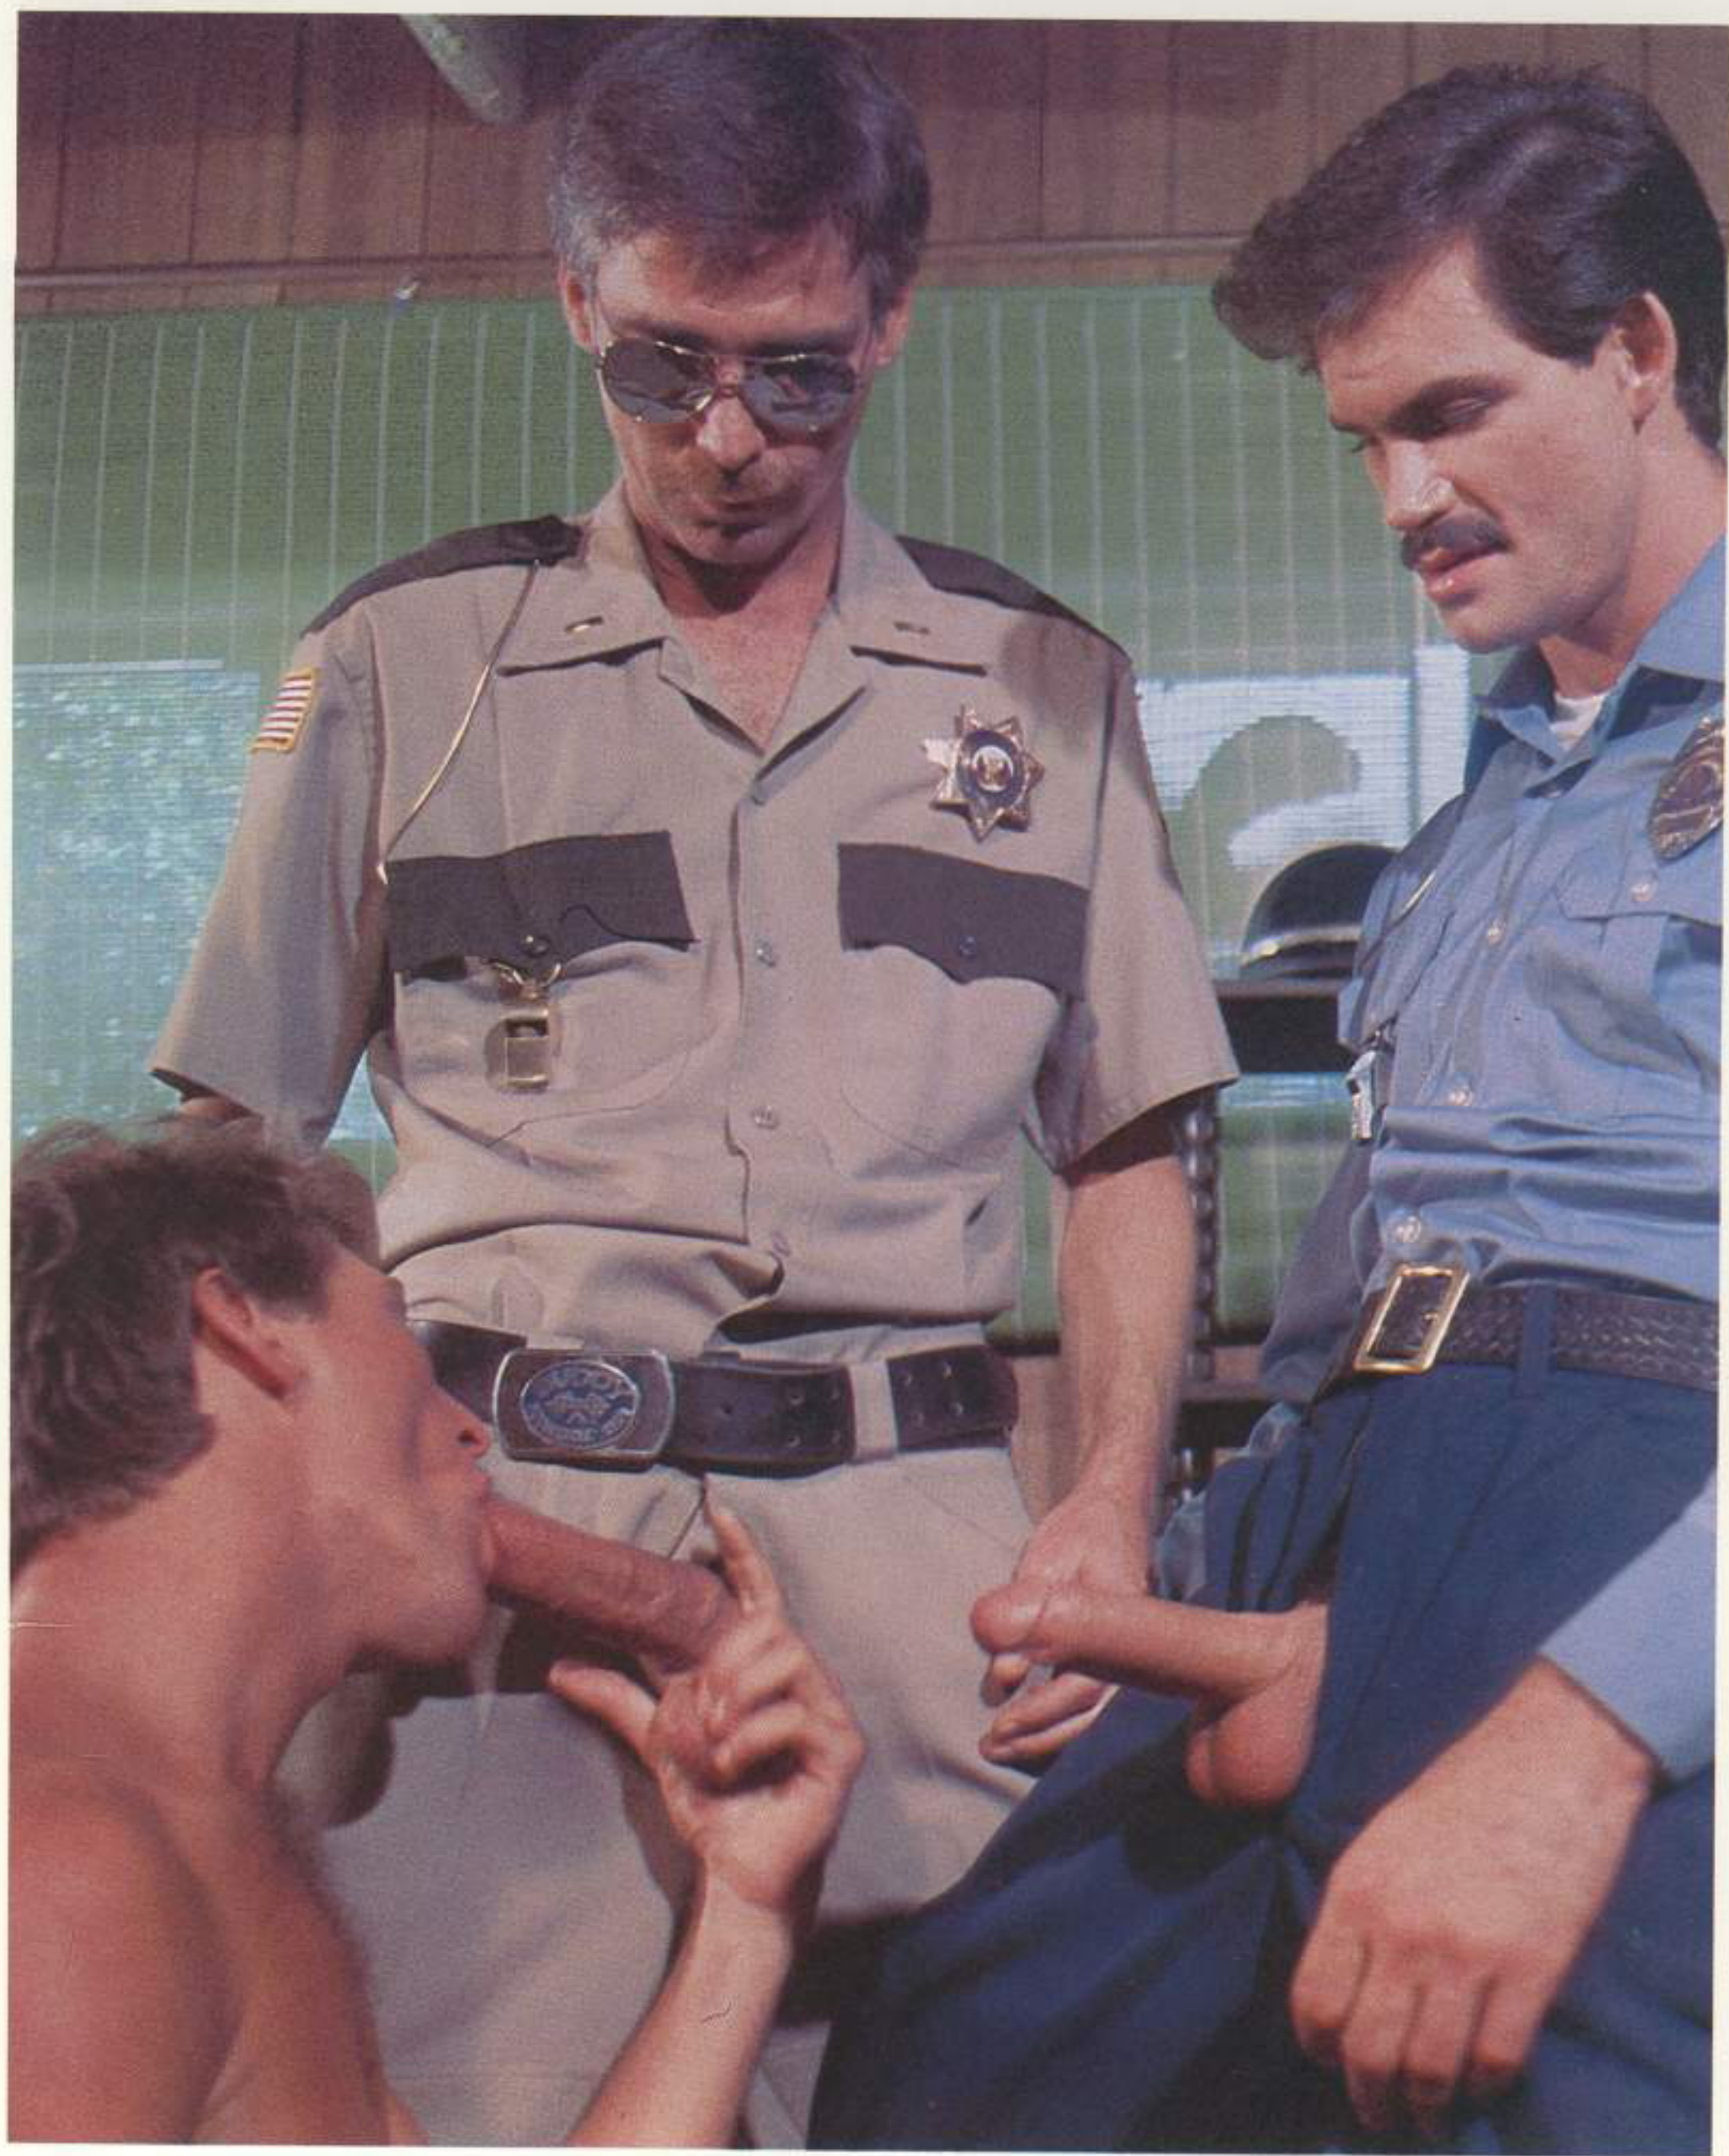

CINEMA STAR

J.W. KING

J.W. has performed in over 15 feature films and many more magazine publications. He stands 6 ft. tall and is exceedingly handsome. J.W. was featured in Playgirl Magazine as the center-spread in January 1981 and he has also modeled for Hustler in some very straight situations. He has starred in Los Angeles Century Theatre's live shows, where he was most appreciated in his motorcycle police gear. J.W. is all rock-hard muscle with persuading charm and personality.

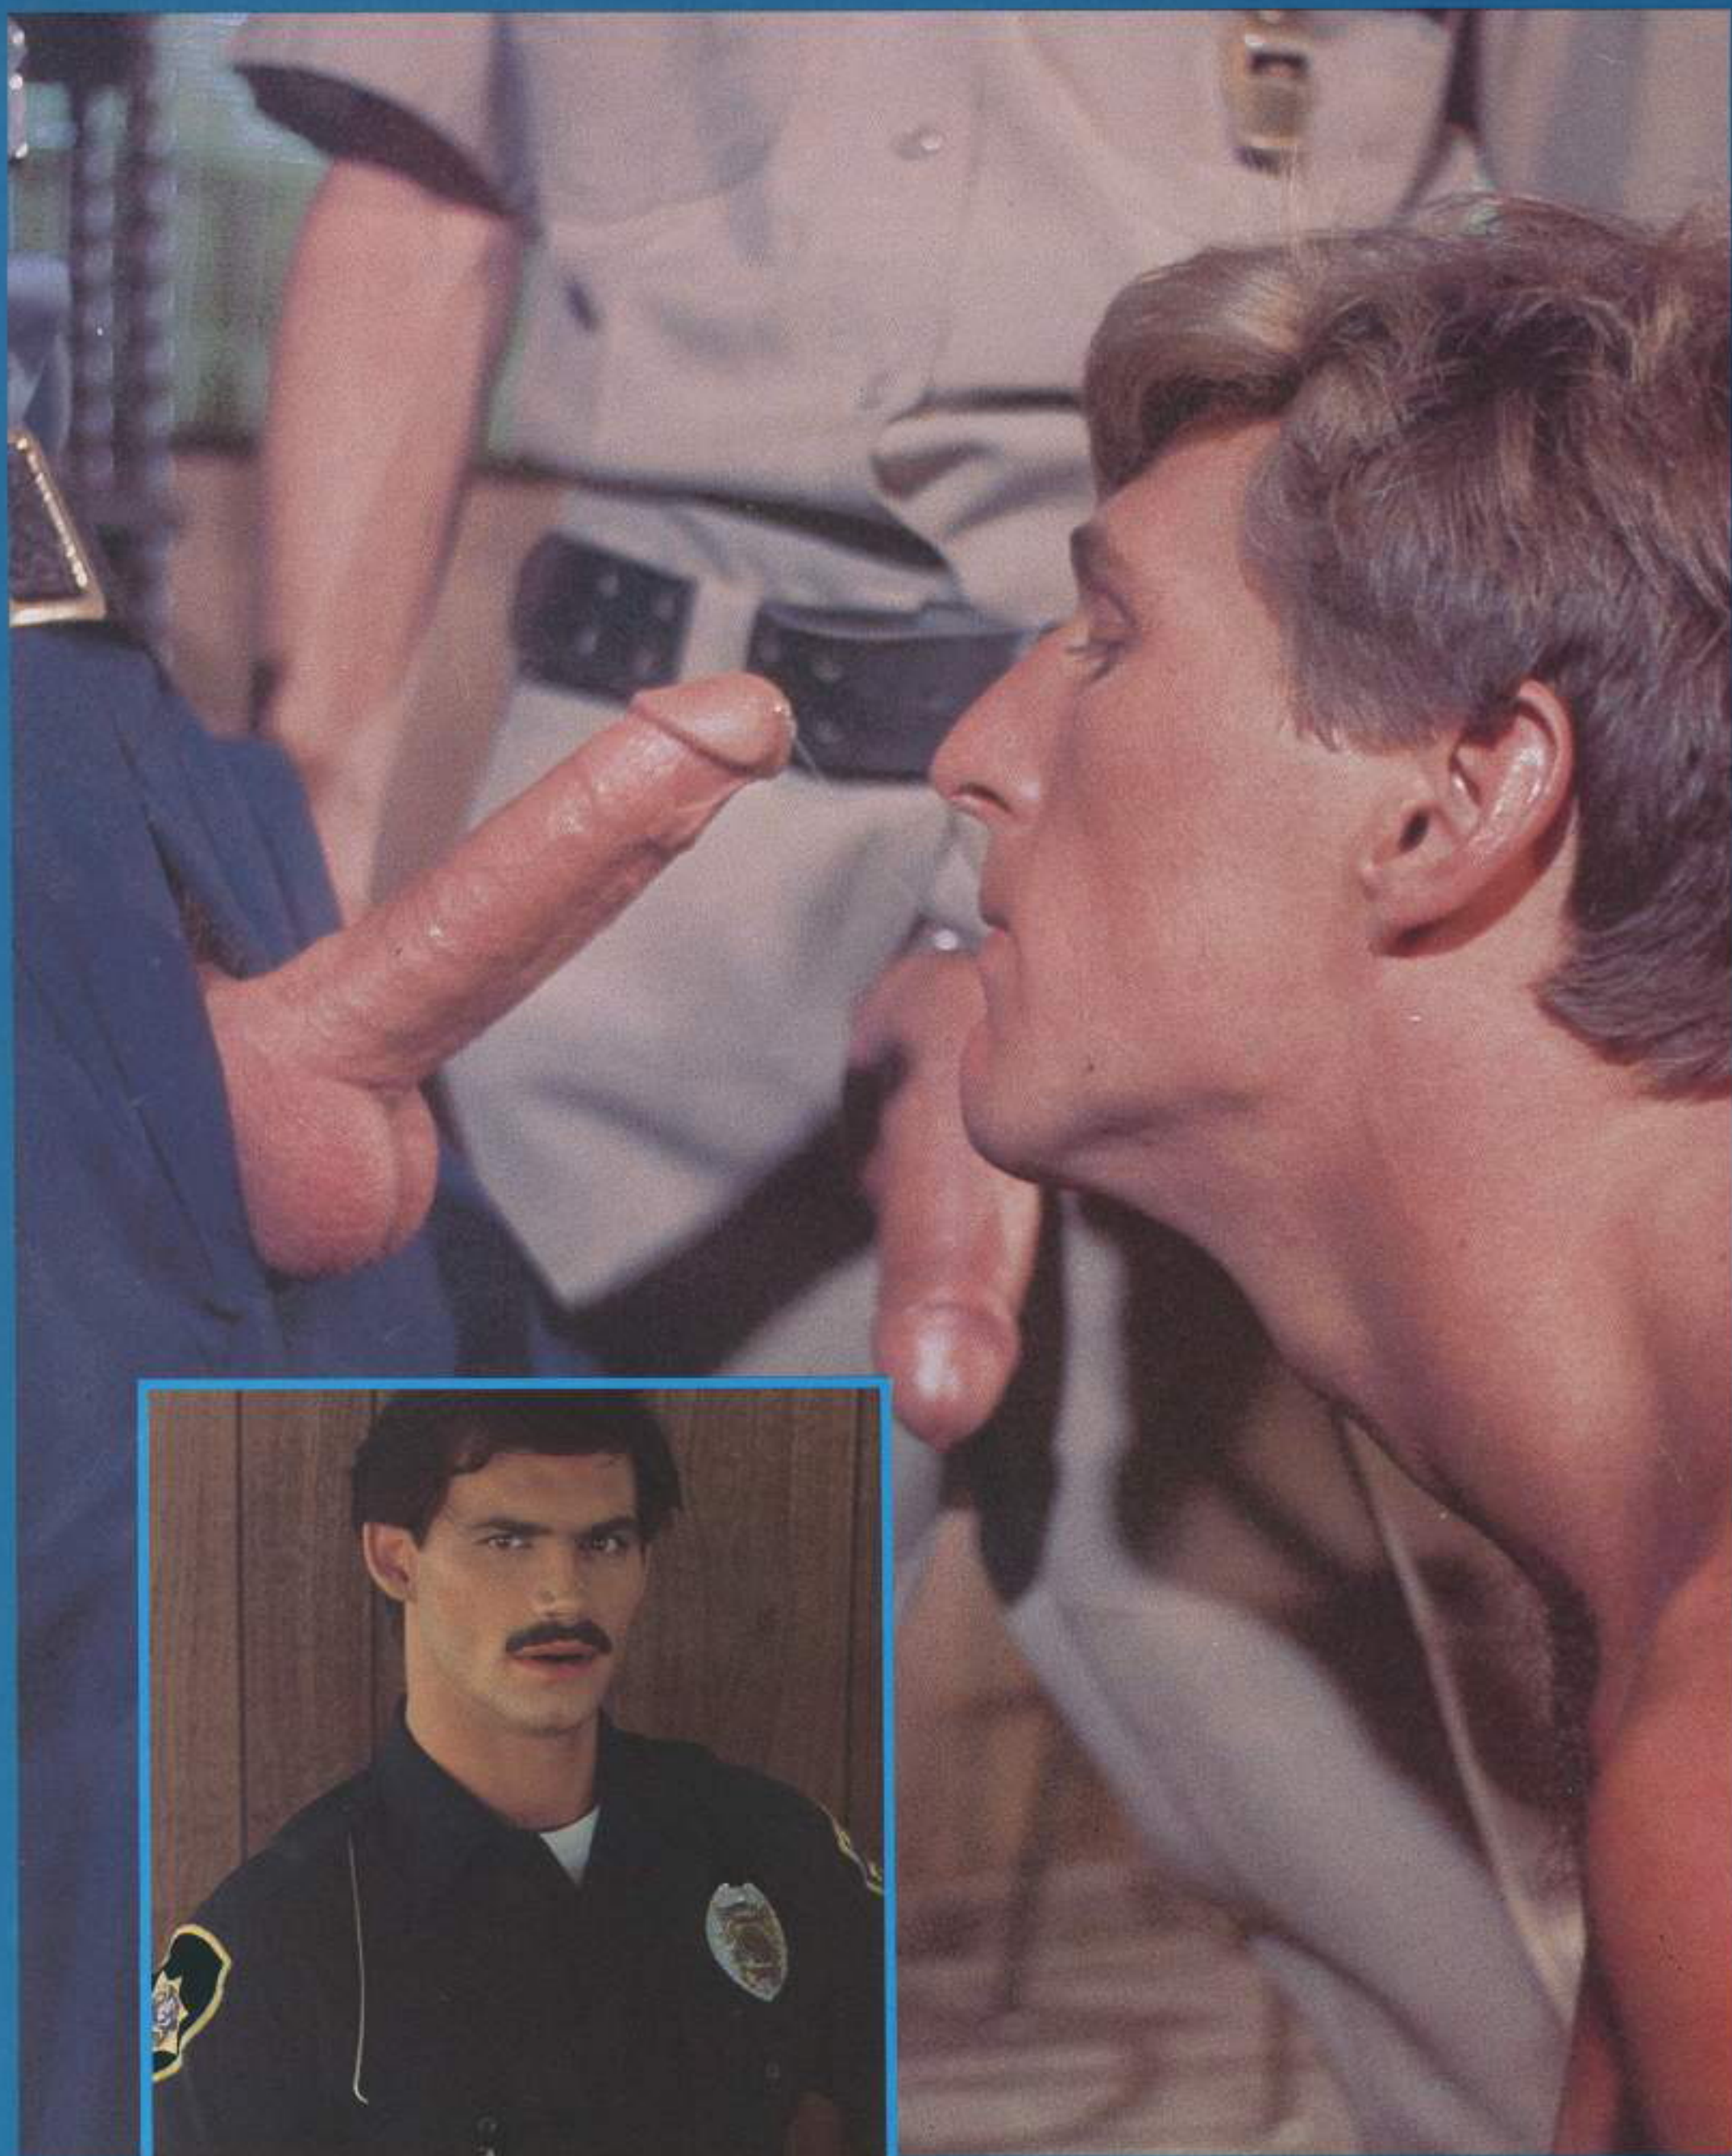

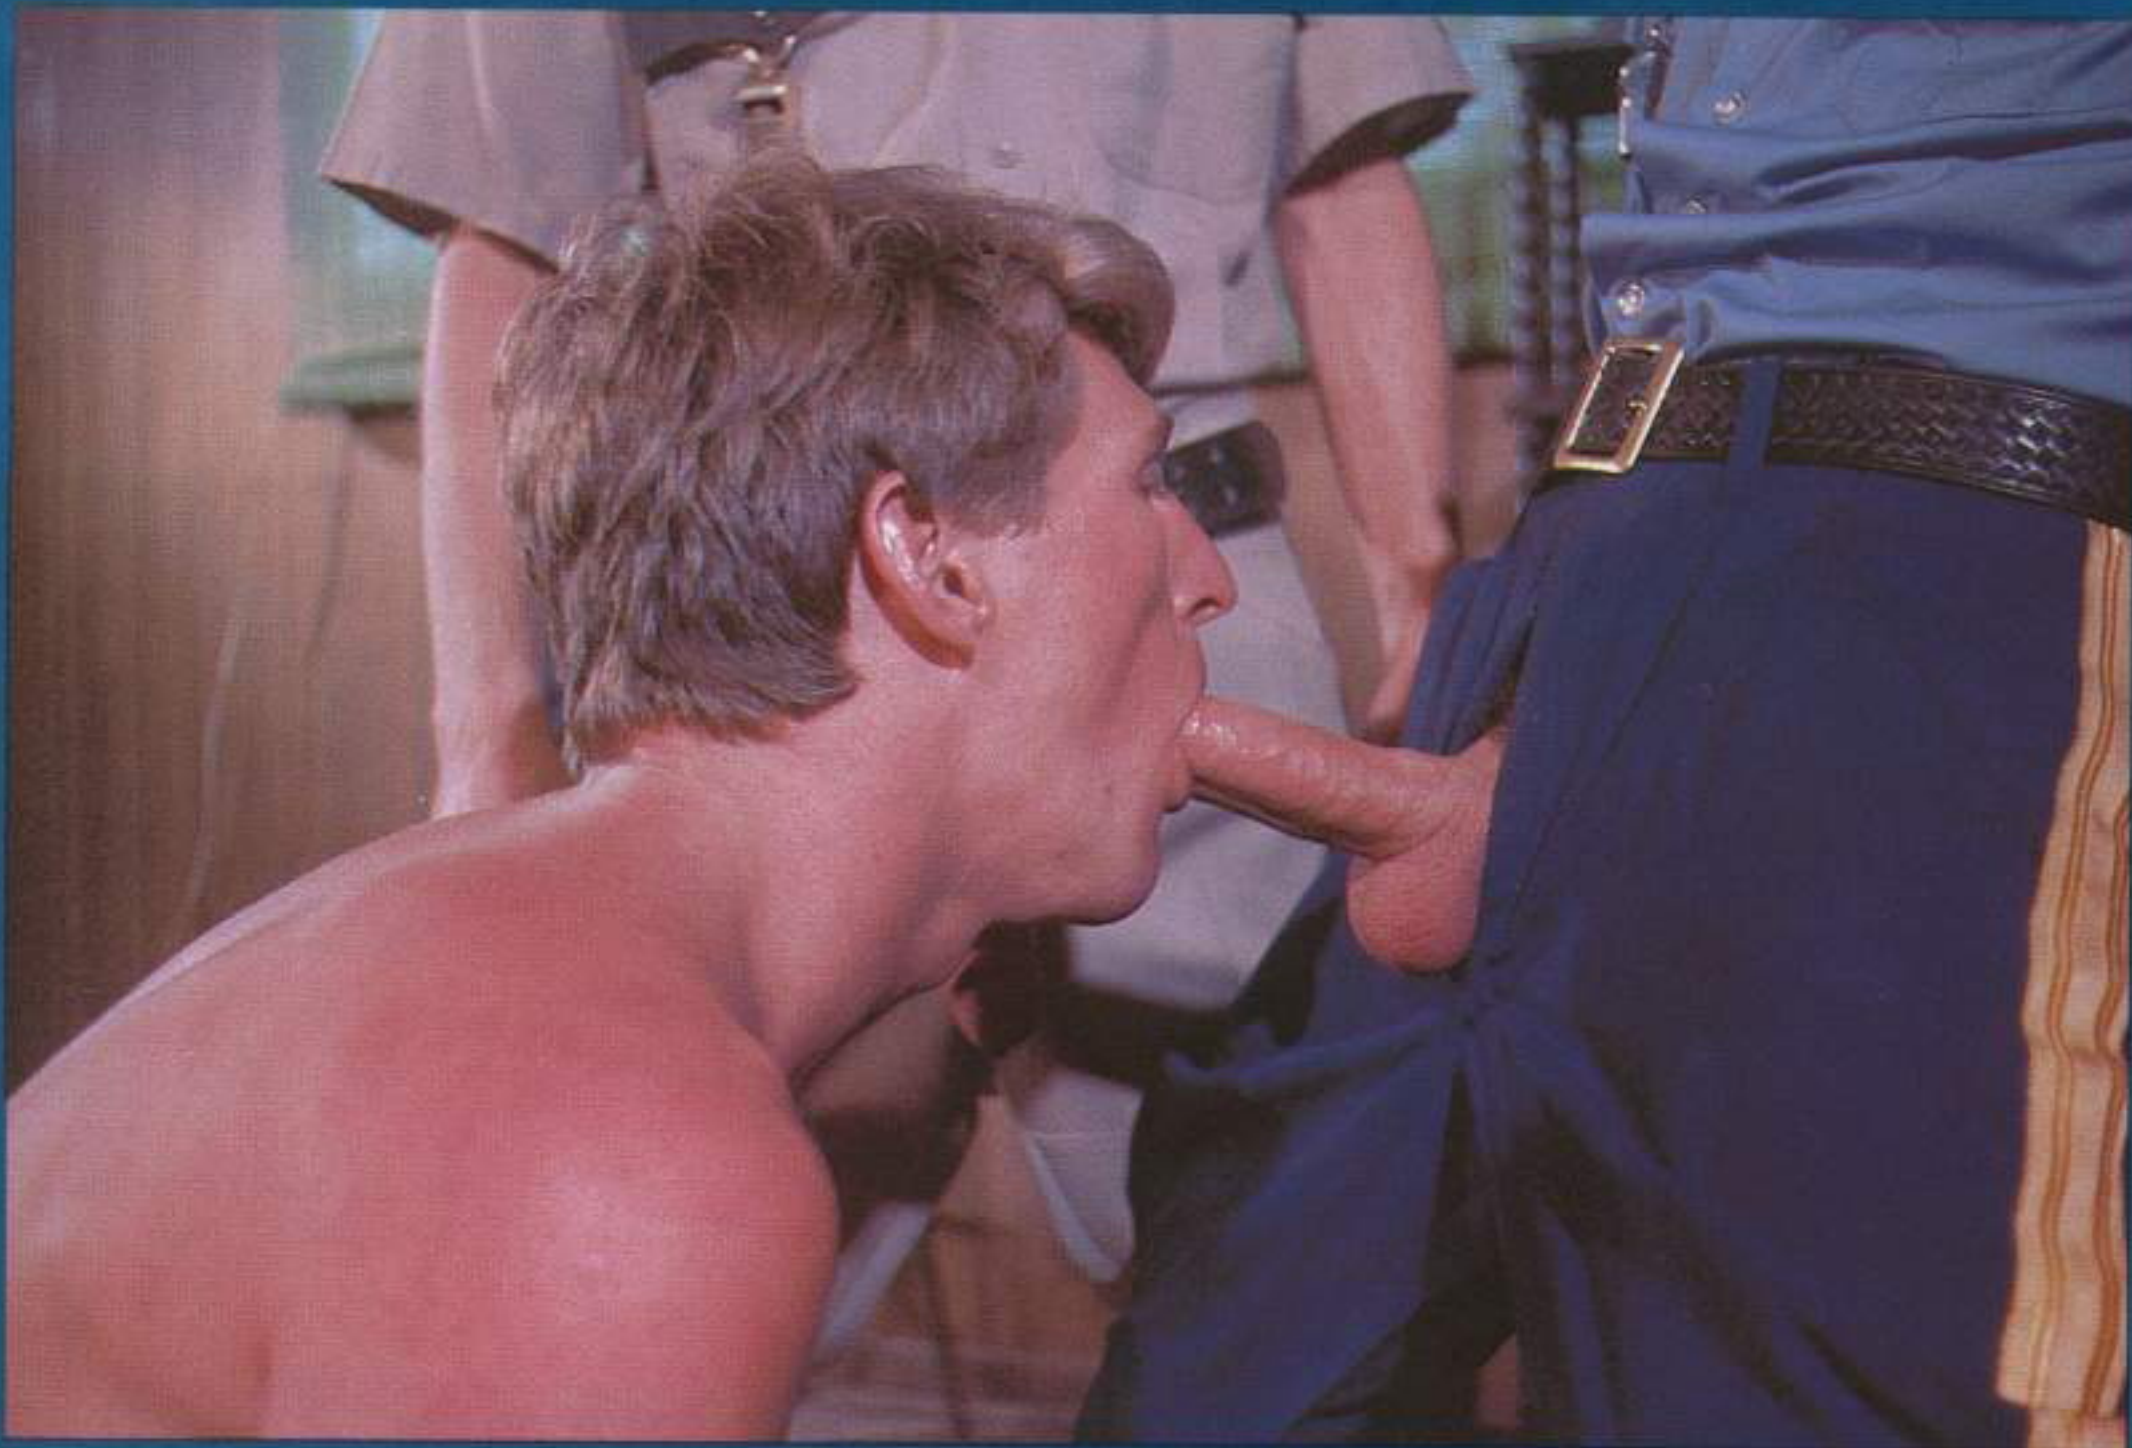

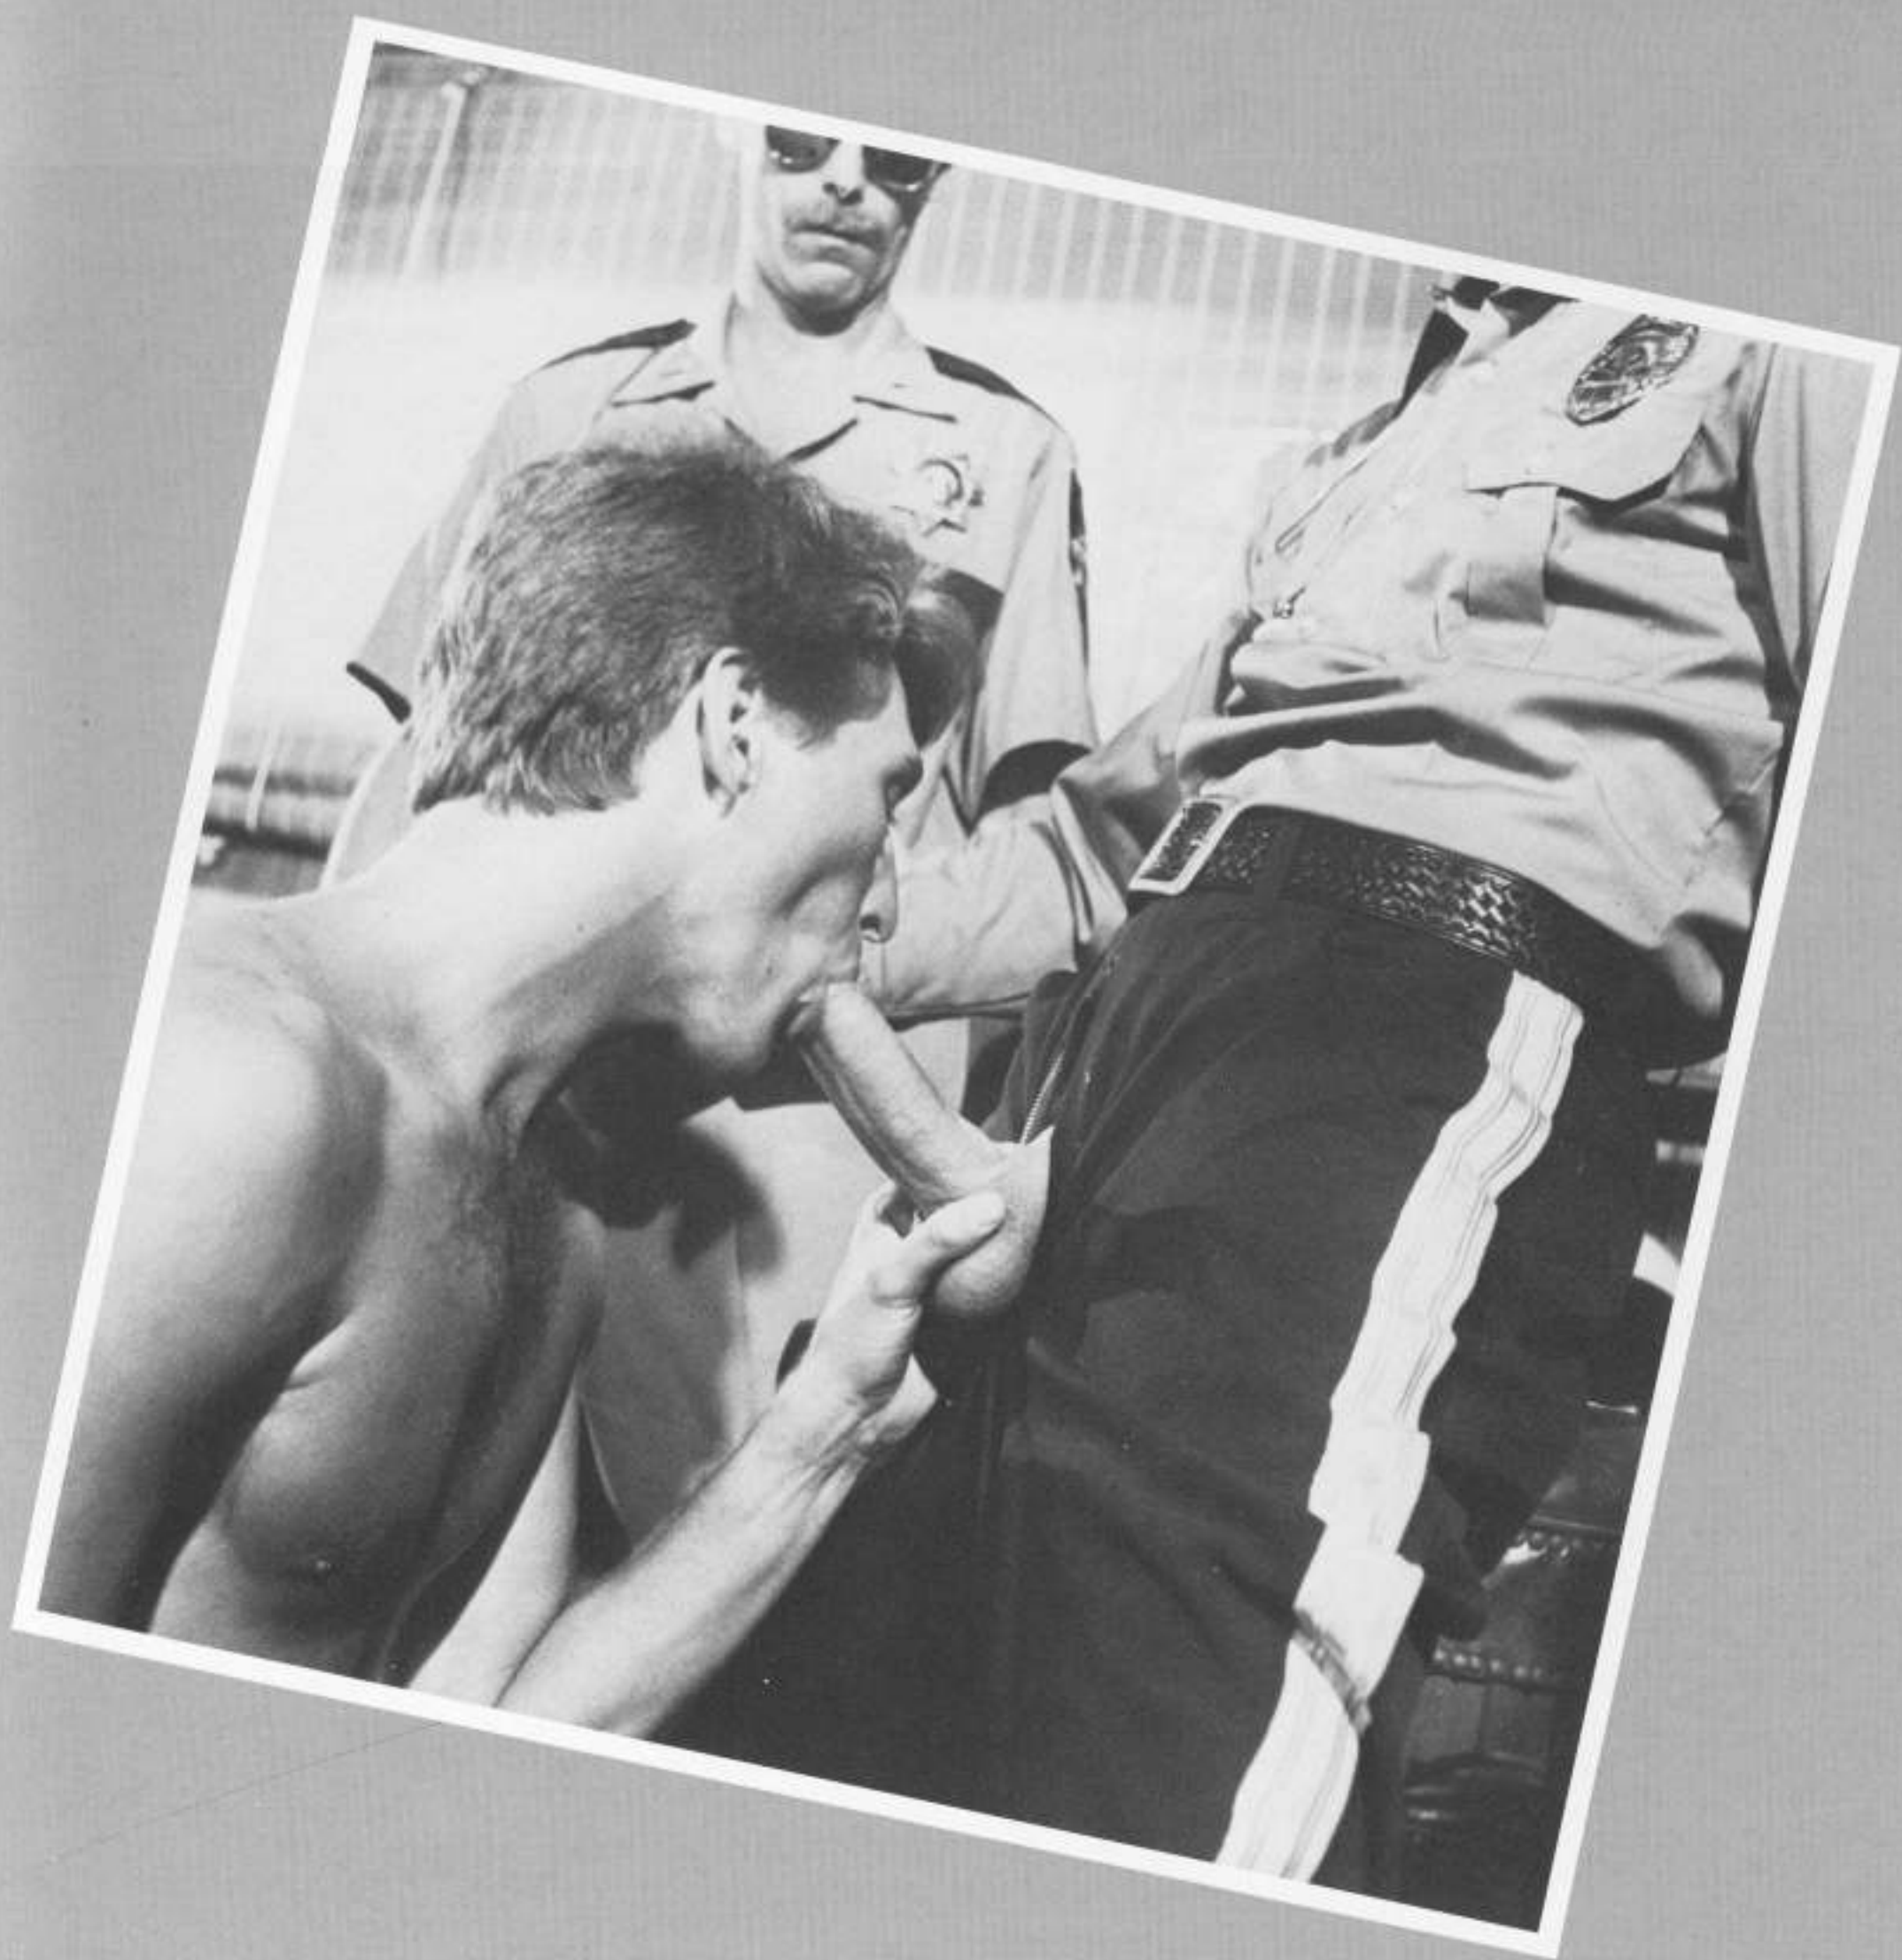

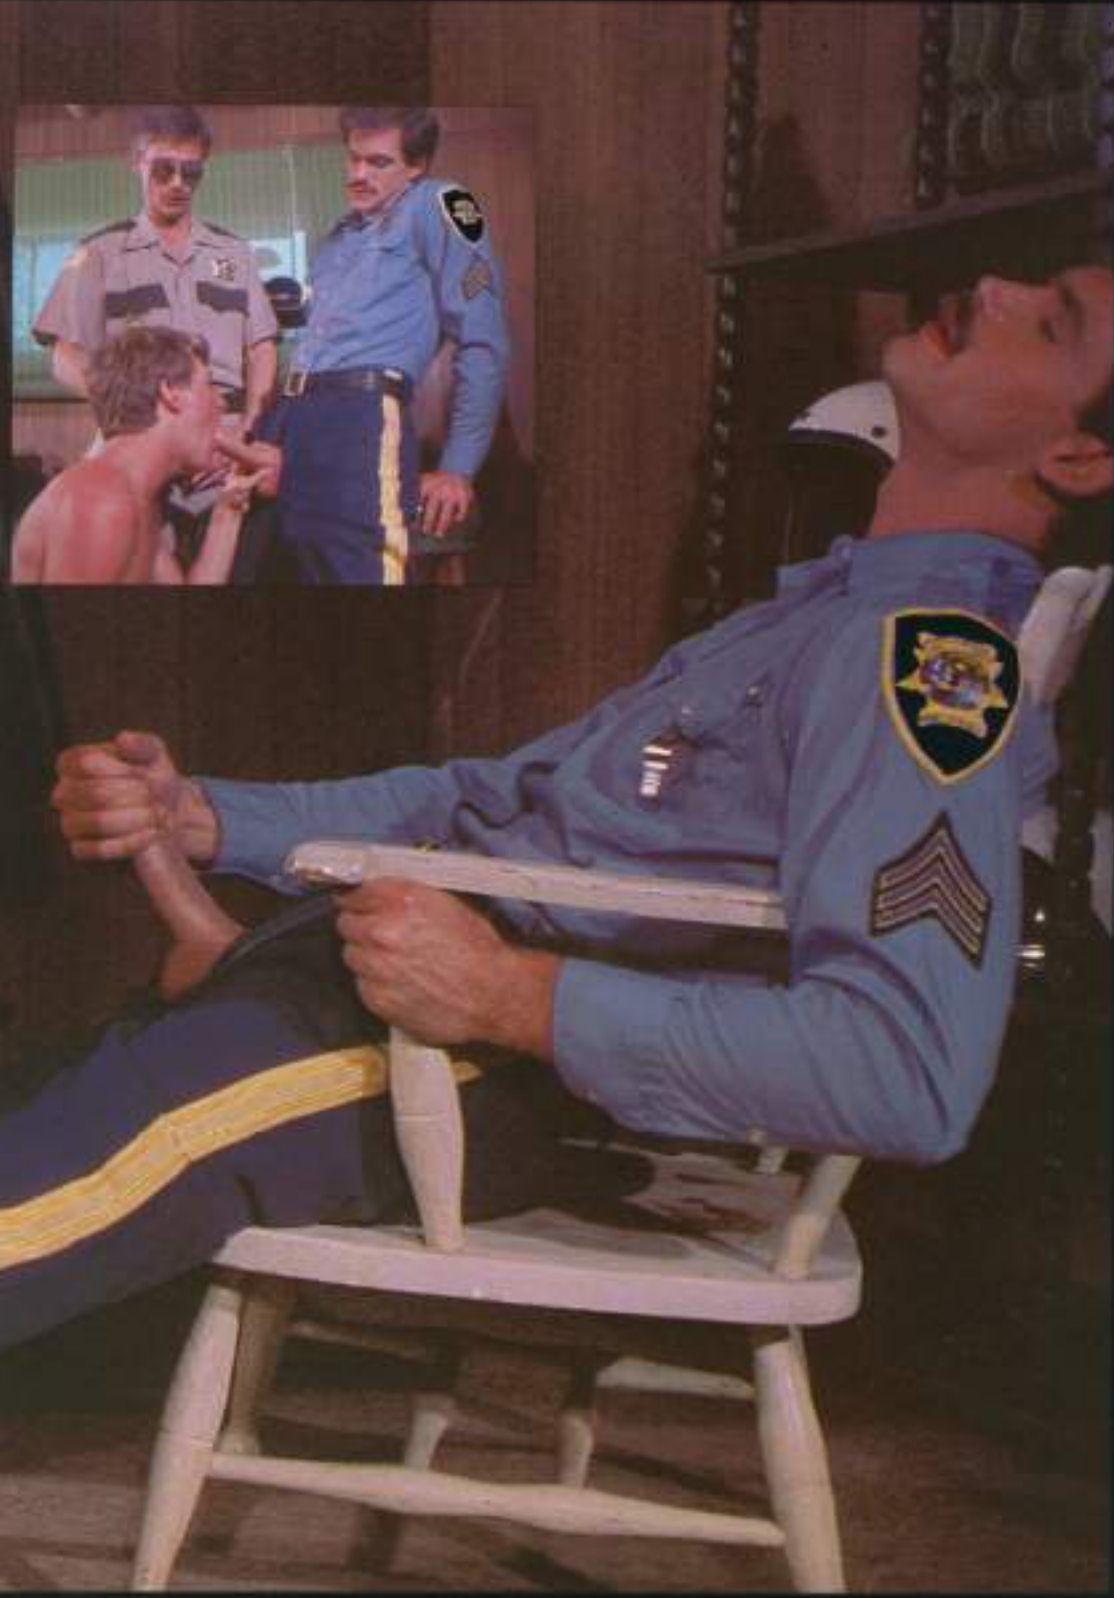

CINEMA STAR

MIKE MORRIS

Internationally known for his work with Colt, Mike starred in a film and magazine called Desert Fox, that still has many hungry fans. His rugged good looks and effervescent charm and charisma make him one of the most enduring stars in the business. We know that you agree.

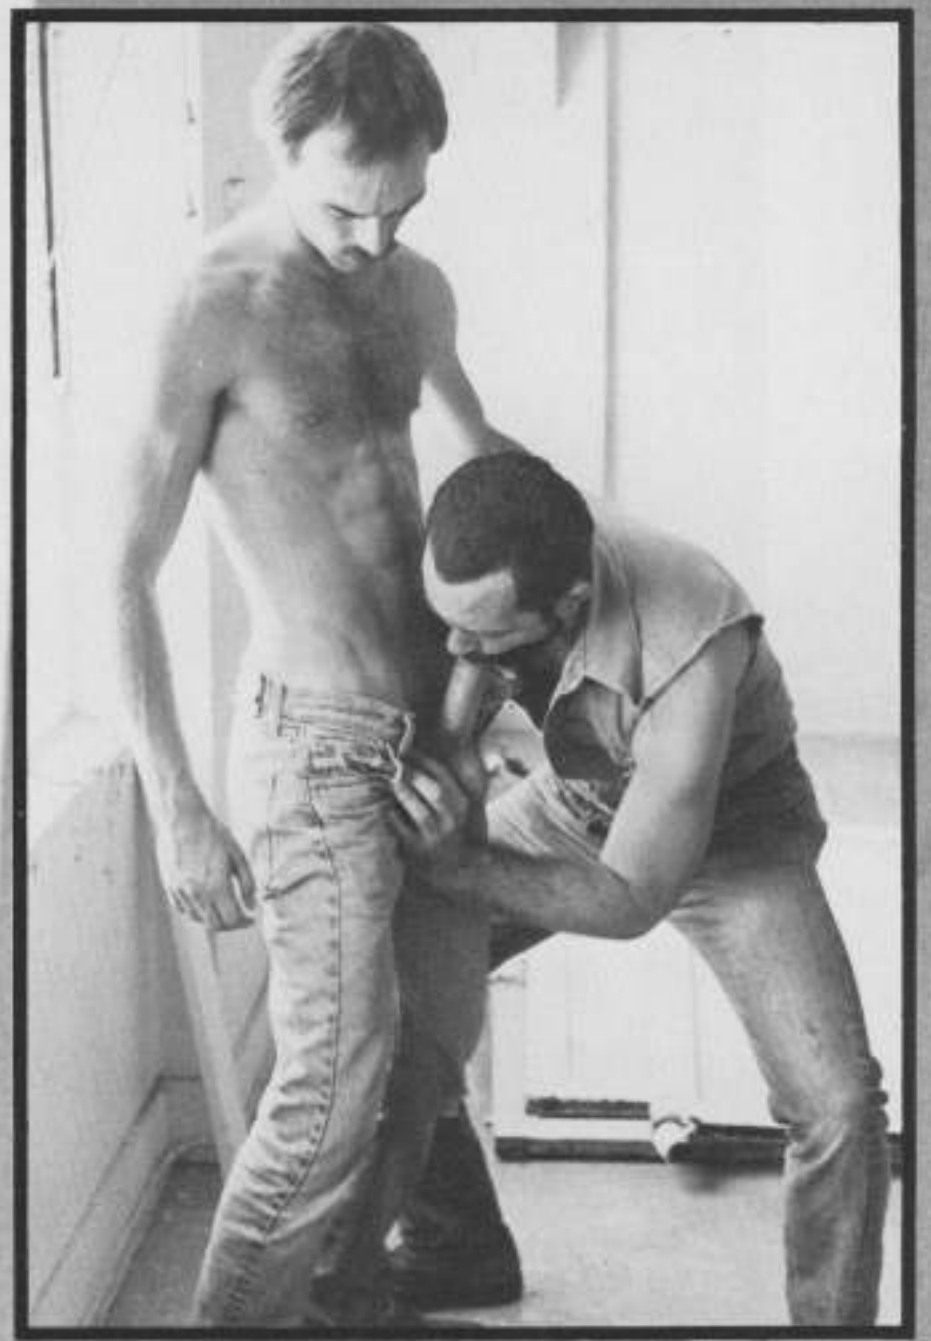

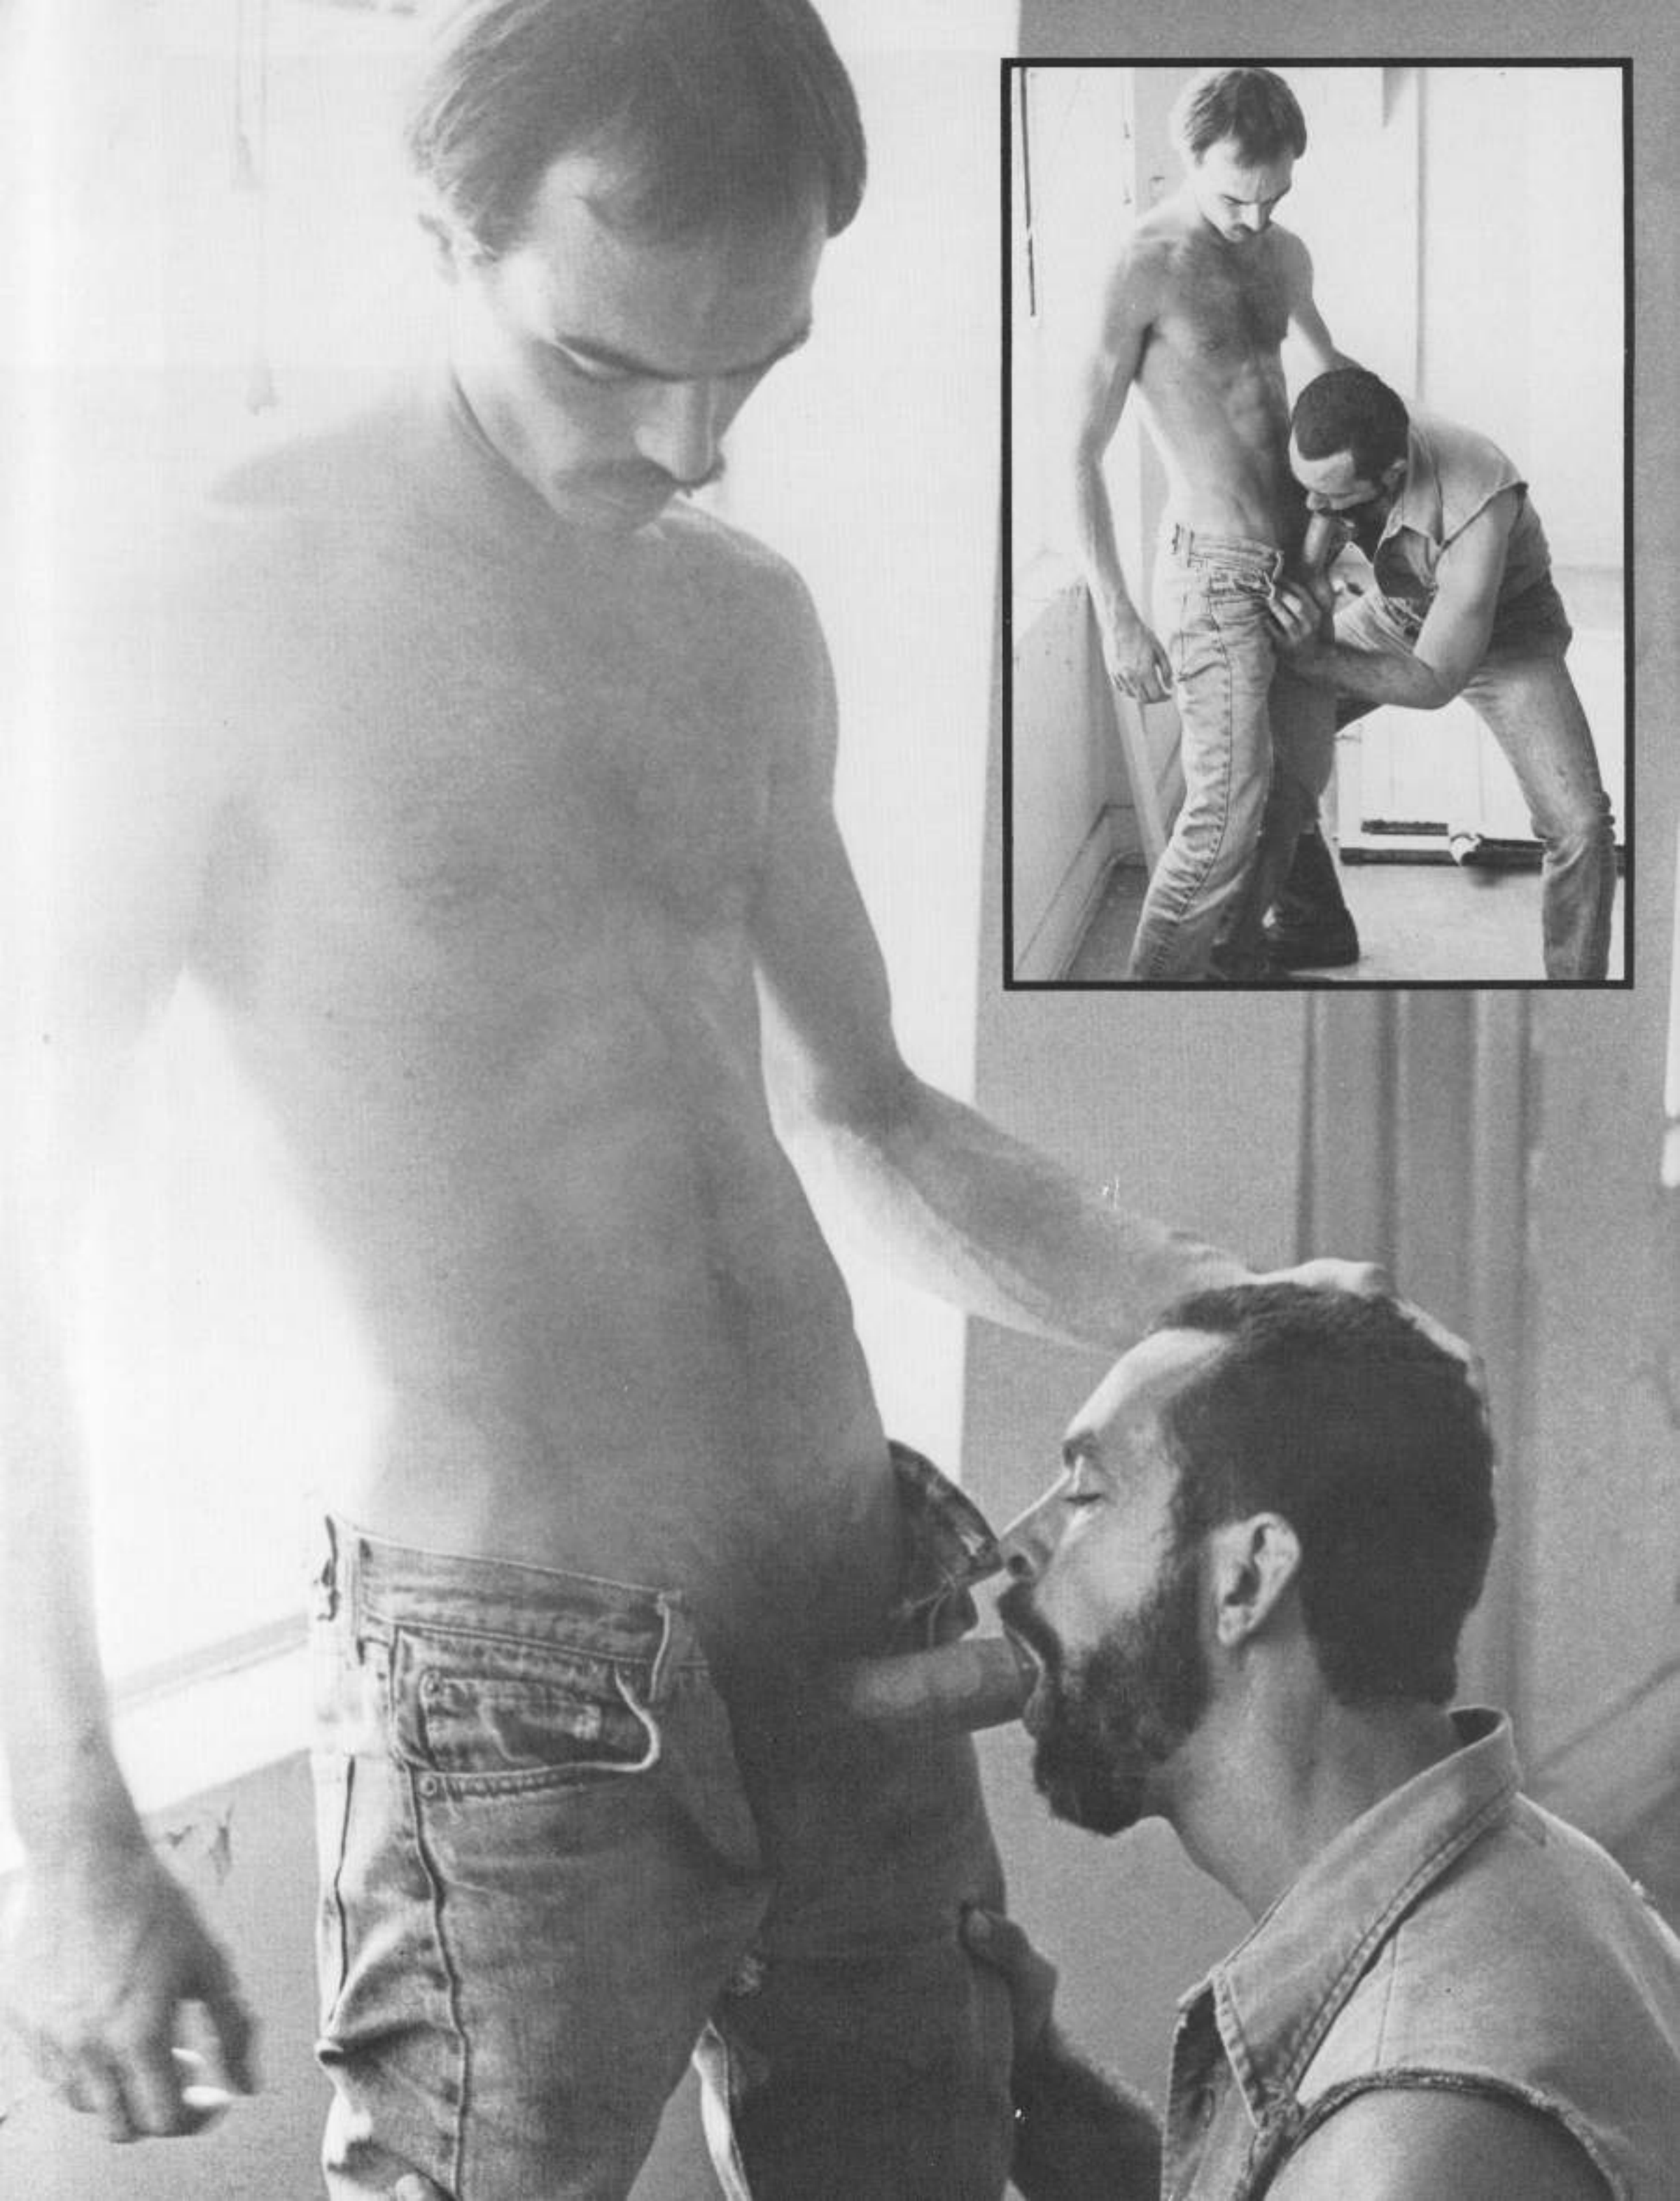

CINEMA STAR

PAUL MONROE

Paul recently made his feature film debut in Cosco's film *Nighthawk in Leather*. You will be able to find him in all of the major national magazines. We think you will agree that he has everything. A very sexy smile, blond hair and deep blue eyes. There is more, but you'll discover that on your own.

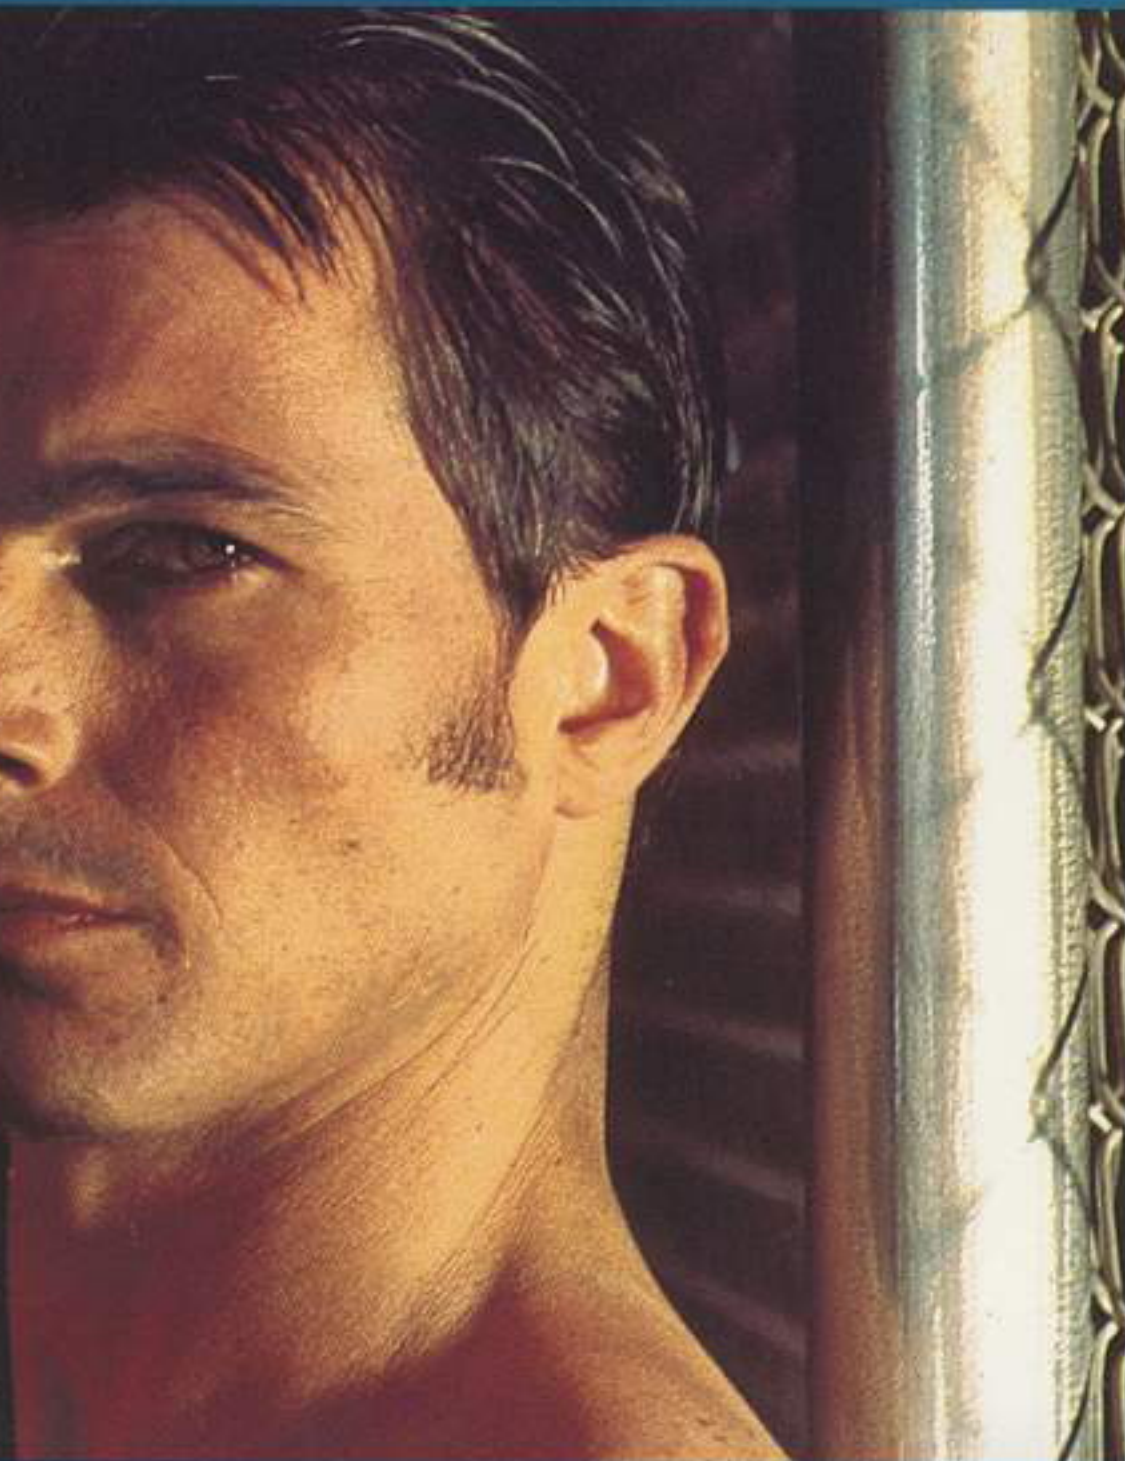

CINEMA STAR

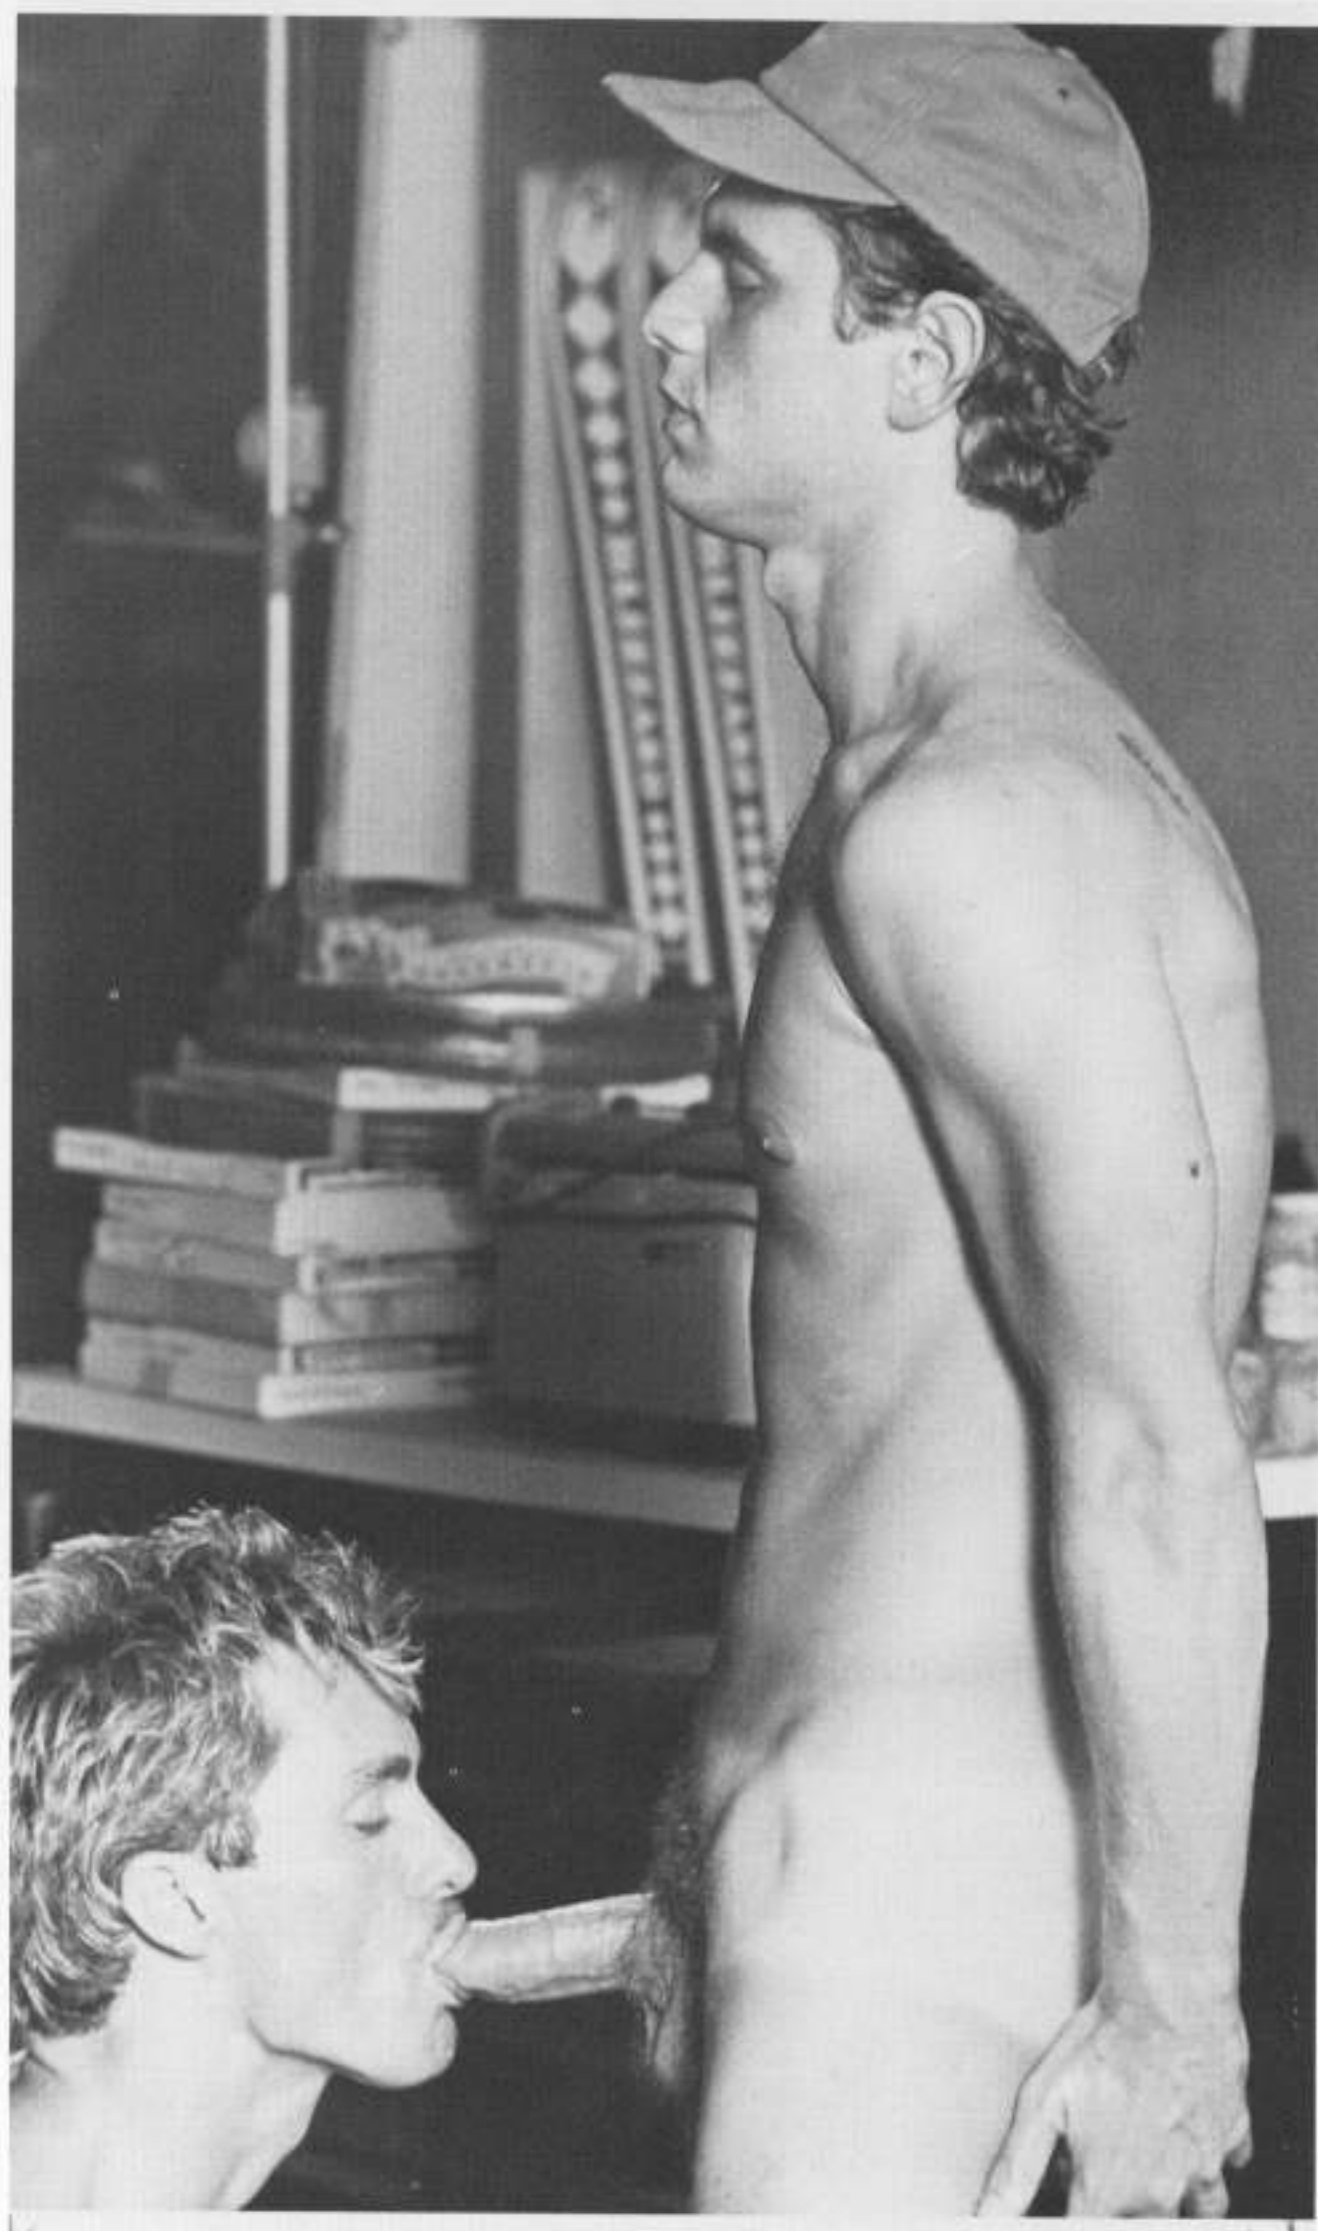

MIKE DAVIS

Mike appeared on the cover of the 1st issue of the short lived Package Magazine a few years back. He has become famous for the work he has done with Colt Studio. He has worked with all of the top name stars and is one of the few *real* tall, dark and handsome men. He is frequently seen with Al Parker and travels all over the country.

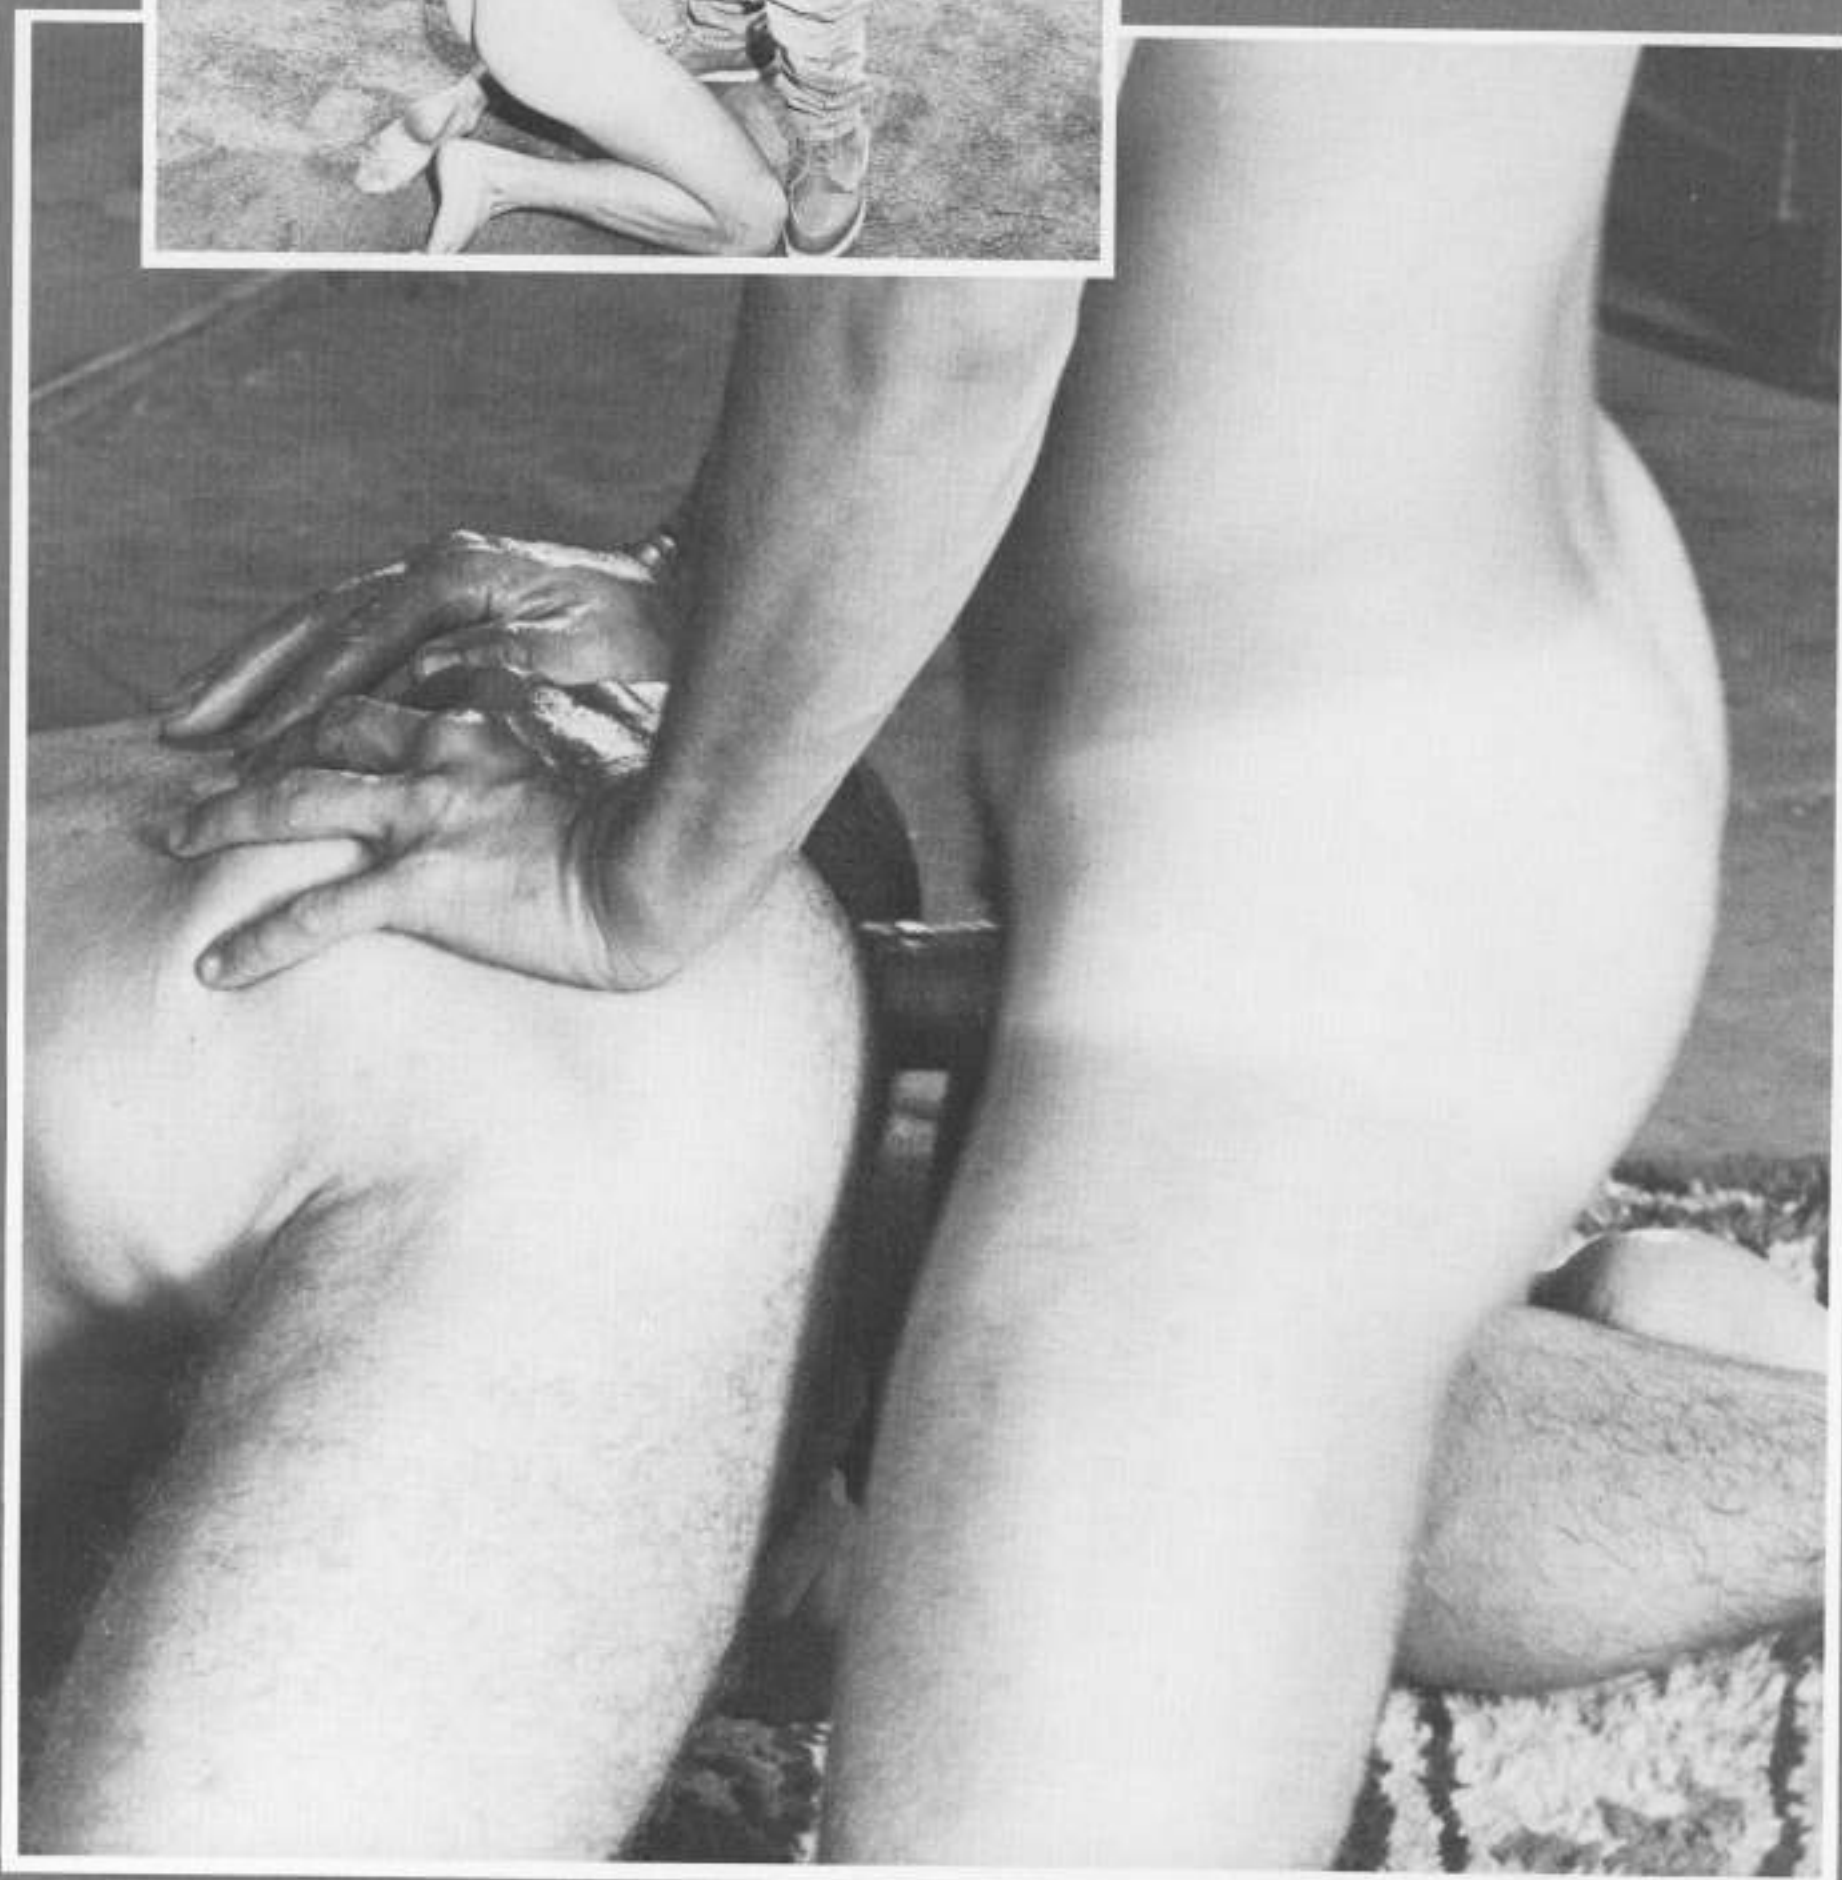

CINEMA STAR

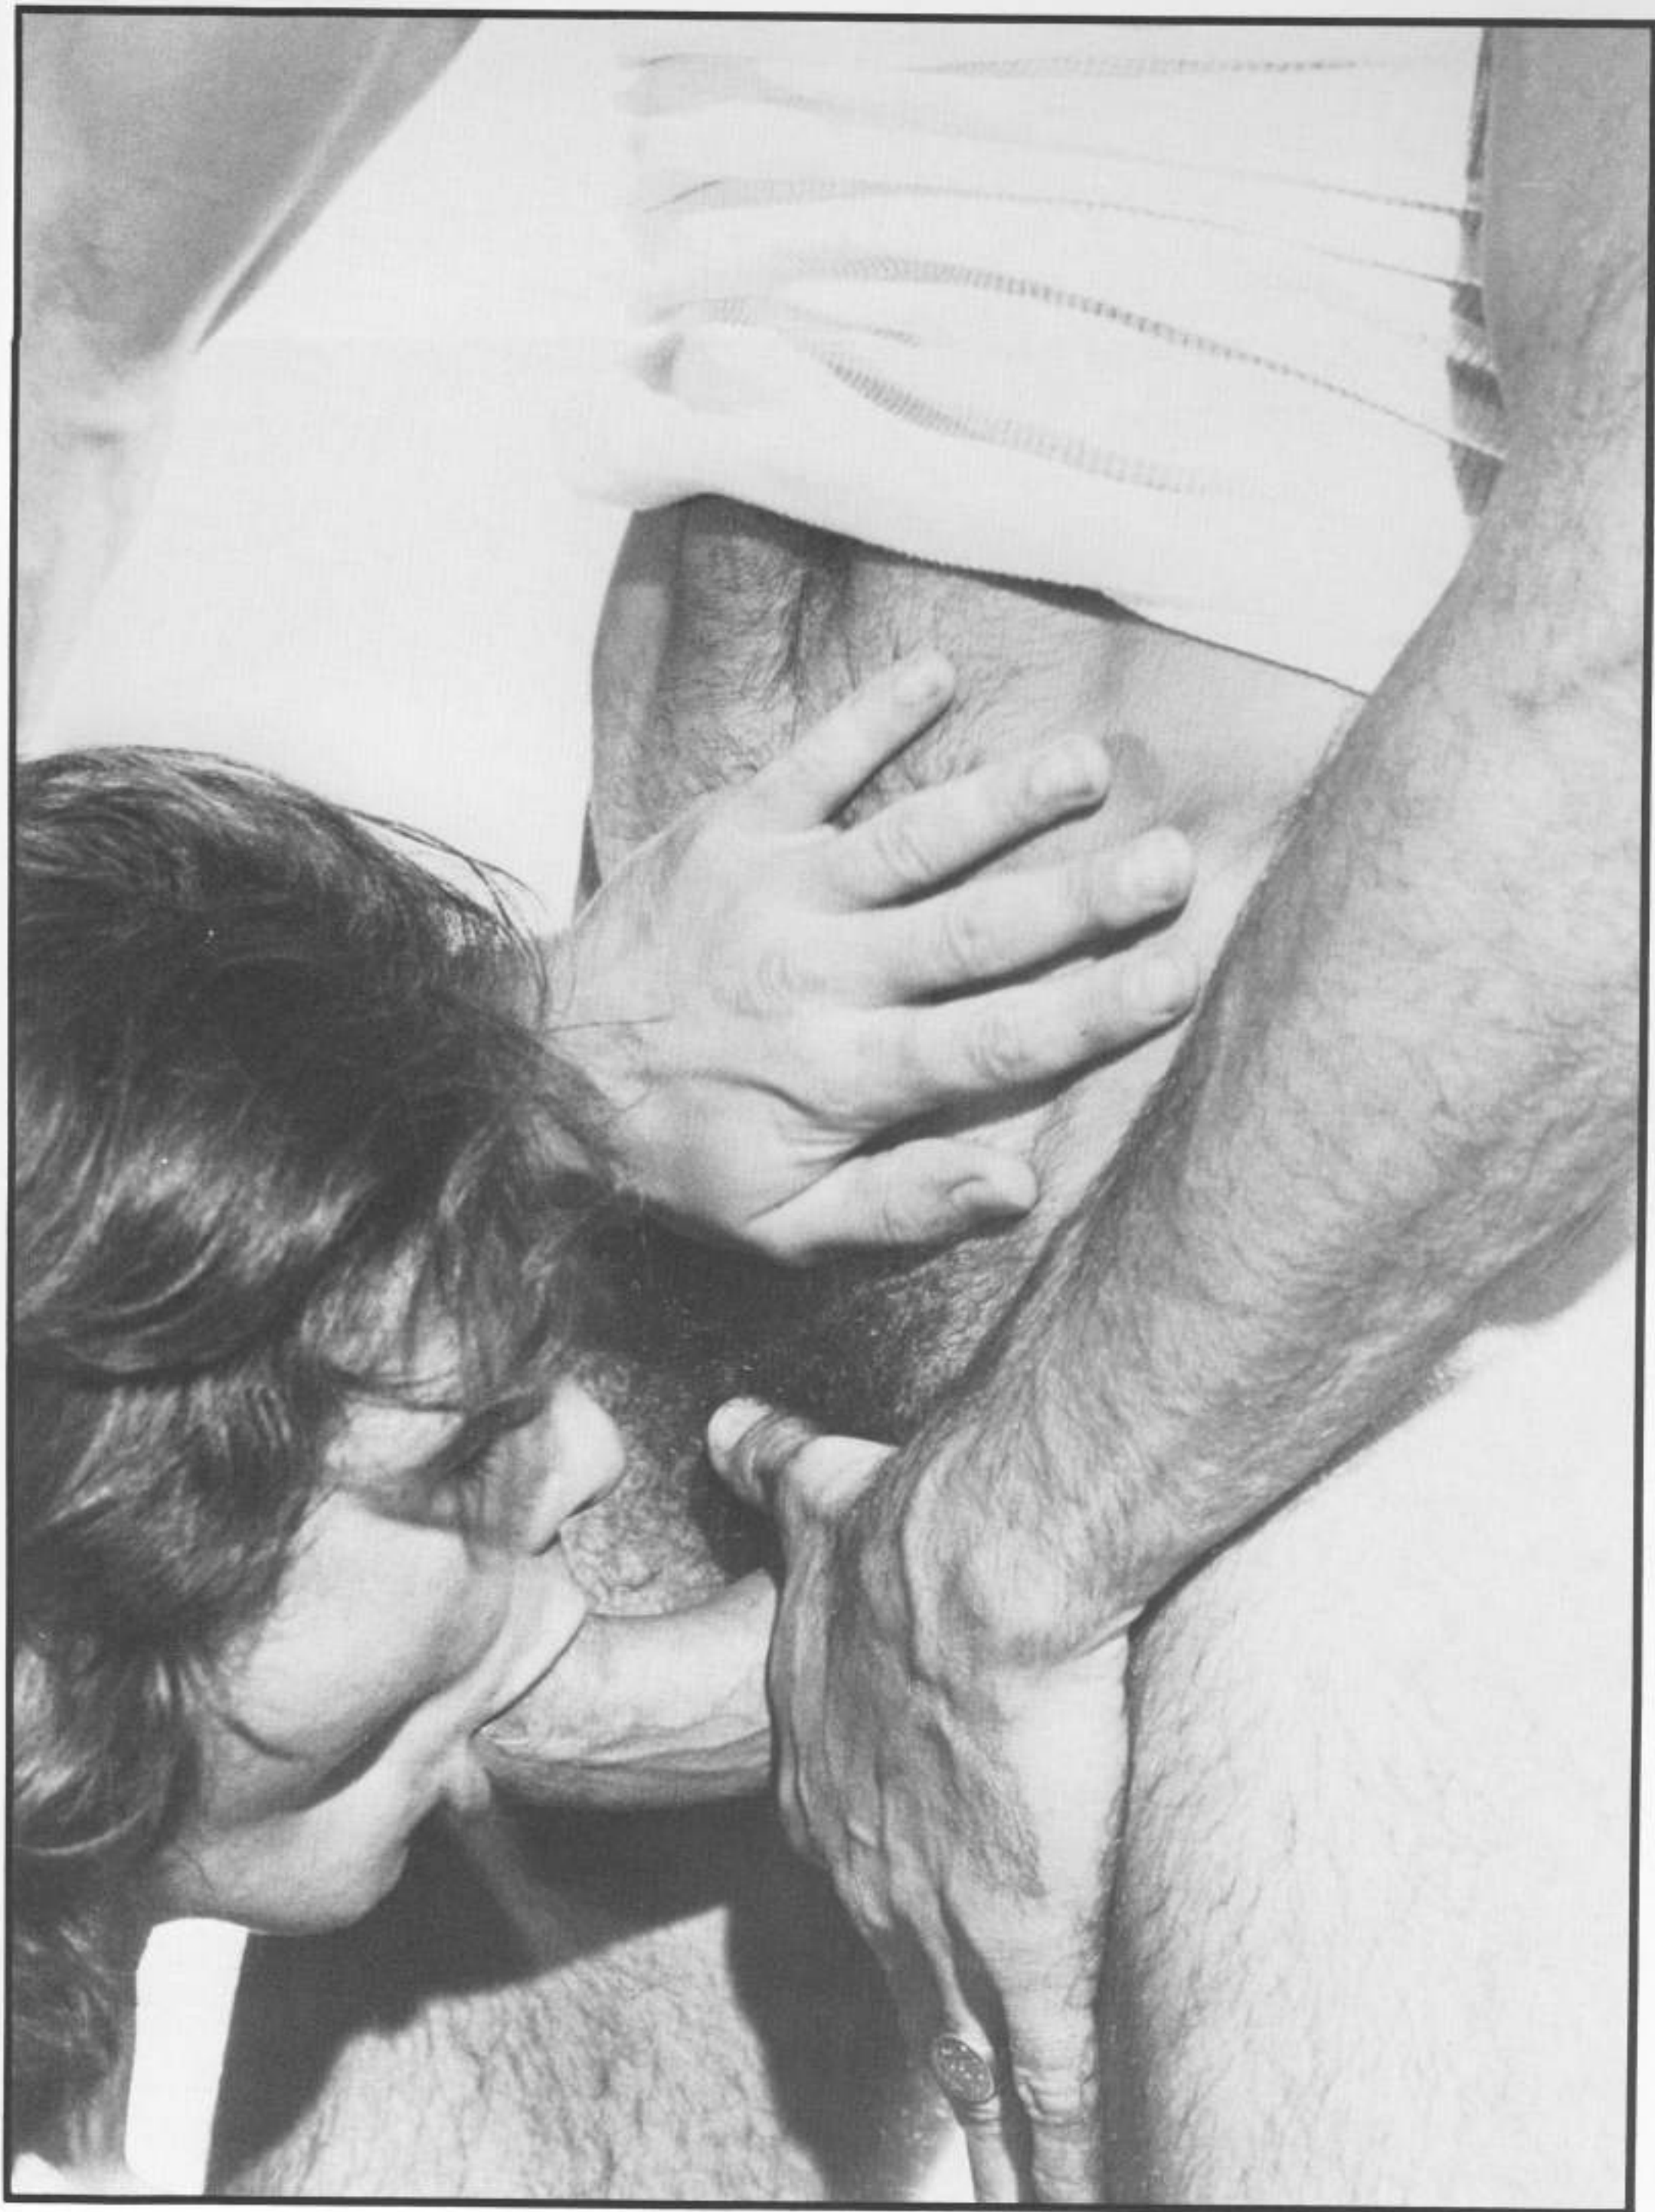

ROCKY GENERO

Also known as Dan Pace. He has modeled for the best studios and been the cover subject of many magazines. His most recent film was Pieces of Eight, where he demonstrated his natural style and ability in front of the camera. He is the epitome of the handsome hairy Italian.
